Eagles' win first step on way to district title

By KEVIN LONG

The Canyon High School football team took an initial step towards representing their district in the playoffs last Friday by defeating Borger 29-14.

"That was a big step," said Coach Deane Wright, adding, "of course I think Perryton has a better ballclub than Borger. I don't think we played as well as we can play against Borger but if we get ourselves ready for Perryton it's going to be a big shootout this Friday."

The Borger game was only interesting at one point in the second half. With 6:05 remaining in the game, and Canyon leading 22-14, the Bulldogs had a fourth and one from their 13 and decided to go for the first down instead of kicking the ball away. Borger quarterback Robin McCarty took the snap and handed to fullback Kurt Smith on a play which hurt the Eagles all night but this time a swarm of Eagles were in the vicinity and threw Borger for a two yard loss.

Three plays after Borger turned the ball over Joe Luquette somersaulted into the end zone from five yards out. Ricky Cooper added the extra point and Canyon had a 29-14 lead with 4:51 left to play.

"We ran a stunt with a lineman into the left side of their line where they had been hurting us and stopped them behind the line of scrimmage," explained Wright. "Of course it was a risky thing for them to go for it at that time but this is a gambling game. I don't know maybe I would have done the same thing."

Other than that Borger did not threaten the Eagles. Football is a team game and the best team won. The Eagle backfield alone did almost identical work statistic wise. Cooper, the quarterback, gained 33 yards in 6 carries. Jonathan Hull had 36 yards in 11 carries and Gary Ward gained 36 yards in 8 carries. The top rusher of the night was Joe Luquette who gained 59 yards in only five carries and scored two touchdowns.

"We were pretty balanced and moved the football pretty consistently. I think our offense won the game for us tonight," said Wright. "Our defense was not up to par tonight. I won't know what the problem is until I study the films but I do know our linebackers weren't getting there. But I think Borger had us well scouted and I think their blocking schemes were pretty effective against our sets."

Borger got on the scoreboard first. Smith, the Bulldogs big fullback, carried the ball the first seven snaps of the game and moved it from the Eagle nine to midfield. Four plays later McCarty hit receiver Dennis Rion with a 26 yard pass down to the 2 yard line and two plays later McCarty ran for the score himself. He then hit Bryan Foster with a pass in the end zone for two points giving Borger an 8-0 lead with 6:18 to play in the first quarter. The drive covered 91 yards in 14 plays.

Canyon came right back after the kickoff. Cooper ran for fifteen yards on the second play of the series, five on the next then hit Randy Langen with a 17 yard pass moving the Eagles to the Borger 26. From there Canyon alternated handoffs between Hull, Ward and Luquette, moving the ball down to the two, where Cooper carried it in. Canyon went for two and Cooper hit end John Prater evening the game up at 8-8 with 2:14 left in the first quarter. The drive went 66 yards in 11 plays.

In the second quarter the Eagles capitalized on a bad

Mark Huber will be featured on the drums at the Junior High band's concert tomorrow night.

Vote is tabled until spring on organized research committee

The controversial organized research committee will be retained at least until spring, WTSU's long range planning committee decided this week.

Dean of the graduate school and director of research Dr. David Wheeler has recommended disbanding the committee, which he says duplicates the functions of the Kilgore executive committee.

But last month the faculty council voted to recommend retaining the ORC as an advisory group. The committee is an important avenue to keep faculty members in touch with research decisions and grants, the faculty council said.

The long range planning committee, headed by Dr. Ray Malzahn, vice president for academic affairs, spent considerable time on the discussion.

Dr. Darrell Munsell, chairman of the faculty committee, defended retention of the ORC to the long range planning panel.

The group voted to table consideration of the ORC until spring, at least, Dr. Malzahn said.

"We'll give it a try and see what the pros and cons are," he said. "And see how it works in actual operation."

In other business, the long range planning committee approved dancing as part of the fine arts school and horticulture as part of the school of agriculture. They also approved a cooperative masters of social work program with the University of Texas at Arlington.

Flu shots on again

Swine flu innoculations will begin again Monday but the outlook for mass vaccinations is still bleak.

Dr. Henry Moritz, director of the Texas Public Health Resources, Region One, said that unless his office got a larger supply of vaccine, there would be no mass clinics.

A public clinic was operated unannounced at the health offices at West Texas State University last week to test procedures for conducting large clinics, Moritz said. The public clinic there would not be opened again, he said.

Vaccine will be distributed to private physicians in the Panhandle.

Vaccinations were halted in Texas and in several other states Tuesday while health officials investigated the deaths of three elderly patients in Pittsburg vaccinated for swine flu. The deaths were determined to have been caused by heart attacks that bore no relation to the vaccine.

However, Dr. Philip W. Mallory, deputy director of Health Resources, advised care be taken to avoid long lines and stress for older patients.

Canyon residents can receive the vaccine at Neblett Clinic or from their doctor.

Canyon kids chosen for study

Gene Howe is one of 326 test schools throughout the country selected for a nationwide study of remedial education.

The elementary school in the northern part of the district was the only school in the Canyon district selected, as one of the requirements for the program was a student enrollment of less than 650 children.

The study, financed by the U.S. Office of Education and conducted by Systems Development Corporation of California, will evaluate the effectiveness of remedial training in math and reading.

Both Canyon elementary schools use federal grants to fund their compensatory education programs.

Gene Howe youngsters in the first through the sixth grades have been given achievement tests in reading and mathematics, a test of practical achievement and a measure of their attitudes toward reading and math.

The test was administered nationwide on the same day and time.

Data has also been collected on the amount and kind of compensatory instruction given to the students, and instructional practices of school personnel.

Another battery of tests will be given this spring to monitor progress.

The study will be conducted for three successive years so that longitudinal progress can be determined.

Vondean McGregor, coordinator of the program, attended a week of training in Dallas this summer.

Both Mrs. McGregor and Gene Howe principal Luther Lawless

(See STUDY, Page 5)

Queen for a night

Football queen Jill Burton is surrounded by her admirers Ken Welch, Len Schmidt, Terry Houk and Steve Schmidt after being crowned at the Eagles-Palo Duro game. Jill is the daughter of Mr. and Mrs. Robert C. Burton.

City clubs rally support for park

Community support for park expansion is growing, city administrative assistant Kevin Evans said Friday, but more endorsements are needed.

The city is seeking endorsements from Canyon clubs and organizations to include in an application for $60,000 in federal and state funds over the next two years.

The city proposes to match the grant money in a phased program that will cost more than $360,000 during the next six years to develop a comprehensive park in the southeast section of town.

Planned for development during the first two-year phase are three ball diamonds, a combination practice baseball field and football field, concession and restroom facilities, a playground and a road to the diamonds.

Two diamonds are already under construction and will be ready next summer.

The second phase will include extending the road around a small lake, tennis courts, volleyball and handball courts and a picnic pavilion.

The third phase will complete the road loop around the park and add bike trails beside the lagoon.

Last spring, the city parks and recreation board established accounts for residents and clubs to contribute to the park fund.

The response has been disappointing.

The application for state and federal funding must be completed and submitted within the next few weeks. Grants, if approved, will be awarded next spring.

New grain is researched

Some of the answers for feeding an increasing world population are being found now in a five acre plot west of Canyon.

New strains of triticale, a grain cross between wheat and rye, are being tested and developed in a nursery on the Bernard Hartman farm.

Dr. B. Charles Jenkins, a geneticist who has worked with triticale since 1953 and Ron Kershen, who is now marketing the grain commercially, are conducting the studies.

They will plant 12,000 different plots into 10-foot rows.

Their aim is to produce higher yields with better nutrition.

The grain is now used mostly for forage, but the ultimate purpose, Kershen said, is its use for food.

"Many people saw it as a genetic curiosity, but I saw its practical use a number of years ago," Jenkins said.

Jenkins, who heads his own research foundation, began work on the grain while doing research as part of the Department of Plant Science at the University

(See GRAIN, Page 5)

Dr. Charles Jenkins and Ron Kershen are conducting research on the man-made grain triticale on a five-acre nursery located on the Bernard Hartman farm west of Canyon.

Spook night a day early

Spooks and goblins will need to forget their calendars because the date for Halloween will be changed this year.

City commissioners Monday will approve a proclamation for Halloween activities to be held on Oct. 30, a Saturday, rather than on the traditional date Oct. 31, which would be a Sunday.

After they get the proclamation out of the way, there is little other business on the agenda.

Road contractor J. Lee Milligan will show a film describing advances in new paving materials and the commission will sign the agreement to purchase a new ambulance.

The payment by the city, county and hospital district for the ambulance will be slightly higher than agreed upon to equip the vehicle with radios.

Because equipment can only be purchased by governmental entities through the federal funding program, the city, county and hospital will buy the radio and will be reimbursed by Metropolitan Ambulance Service.

The cost to each entity will be $2,098.82, of which $274.66 will be returned.

(See SPOOK, Page 5)

David Hartman carefully threshes triticale kernels to be used in research with the grain this winter.

Buffalo Lake bill to get another look

A few Randall County residents want their commissioners to reconsider giving support for a proposed bill that would put $1.8 million into Buffalo Lake.

The commissioners tabled the resolution supporting President Ford's proposed Bicentennial Land Heritage Act at the last two meetings.

Two weeks ago, commissioner John Fulgenzi objected to the bill as a federal pork barrel. Cities and counties all over the nation should use similar restraint in supporting and accepting federal programs, Fulgenzi said.

The money would be used at Buffalo Lake to staff the wildlife refuge and to get a water supply for the lake that would provide a winter home for the migratory birds at the south end and fishing areas at the north end.

Although Fulgenzi criticized the bill, no one made a motion to kill it and they tabled the resolution.

Last Monday, the resolution was again on the agenda but administrative assistant Carroll Wilson said "I misunderstood you when you tabled it, I thought

(See LAKE, Page 5)

Band concert Monday

The three bands at Canyon Junior High will present their first concert of the year Monday night at 7:30 in the CJHS auditorium.

The program will include popular songs, Broadway tunes, marches and a little of everything.

The junior high bands are under the direction of Rick Hittinger, who will be assisted by music director J. W. King.

The 93-member Symphonic Band will be directed in one number by student teacher Paula Williams.

The White Concert Band, includes 68 members and the Purple Concert Band has 112

Boosters meet Tuesday

Under the direction of Phil Langen, Canyon has formed an Eagle Booster Club which meets every Tuesday at 7:30 p.m. at the First National Bank Building.

"We would like to encourage all supporters of Canyon High School athletics to come and be part of the booster club organization," said Langen.

"The booster club is not limited to parents of varsity players but is for all people who would like to help in various ways to make our athletic program a more vital and alive group.

"We especially encourage parents of younger groups to come and be a part of projects which will directly benefit their

FROM THE CANYON RIM

Thomas Hazard Thompson spent a couple of hours in my office Friday and the hours went like minutes.

Tommy is the Tommy Thompson of The Amarillo Globe-Times Turnstile fame who kept the Panhandle stirred up for years and won the coveted Pulitzer prize for his newspaper's exposes.

I worked with Tommy when I labored in the vineyard at The Globe News under Gene Howe in the late 1940s and early 50s. Tommy was business editor, a likeable guy whom I never would have picked to be the salty journalist he turned out to be.

Tommy is writing a book about his experiences in the newspaer business and about the important Panhandle and Amarillo people we both know. I can't wait to get my hands on it.

There were very few people neutral about Tommy.

He tells a story about visiting in the office of an old gentelman he had known for years right after beginning "Turnstile."

The old man came around his desk and laid a kindly hand on Tommy's shoulder.

"Tommy," he said, "I like what you write in that paper but that fellow that writes that new column called 'Turnstile' is crazy."

Tom still gets a belly laugh out of that one.

Tom is a journalist whose quest for truth is unquenchable.

On the front of Mr. Howe's Globe-News building at Ninth and Harrison is the inscription:

"A newspaper may be forgiven for lack of wisdom but never for lack of courage."

More than any newspaperman I know Thomas Hazard Thompson lives up to that legend.

It takes guts to write a column that rips the hide off people the writer has to meet every day. It takes dedication and accuracy not to get sued for it.

Tommy Thompson is a good writer and a good reporter but best of all he has guts.

* * *

The talk of high unemployment continues but I really don't think it is as acute as the statistics indicate.

There are jobs begging for skilled people. Most of the folks who are out of work in this area at least are people who have few if any skills.

I know of few automotive houses who could not use a good mechanic.

Read the want ads in the big daily papers. Thousands of jobs are going begging.

Also, I understand that college students who work in the summer are added to the unemployed statistics when they quit and return to school.

I'd like to see the statistics on jobs available which cannot be filled. I'd like to see the statistics on skilled laborers who are unable to find employment.

I'll bet it would be an eye opener.

* * *

The Canyon Eagles have a good shot at district if they can get by Perryton Friday. But the Rangers ran up an awesome 29-0 score over the usually potent Dumas Demons in their district opener Friday.

The Rangers will be tough and I know that Coach Deane Wright and every boy who wears the Eagle livery is awazre of this.

Good luck Eagles!

Our world

Truth is not a new idea

By ANN BROWN

Truth is currently getting a lot of publicity. One would almost think it is a new discovery.

One of the most amazing contradictions of our civilization is the lofty reference for truth which civilized people profess, and the complete disregard for it which they constantly practice.

Who has not seen a witness in court swear to tell the truth, then take the stand and tell lies that everyone in the court — including the judge — knew were lies? How often is anything done about it?

Politicians stand up and make promises every listener knows are impossible to keep — and they cheer him.

However charitable we may be toward lies and equivocations, the truth is what we have to live with.

Any time a new scheme is proposed for the public welfare, a good question to ask is: "Will this give any government agency any more power over the people?"

If the answer is "yes," the scheme is detrimental and deserves vigorous opposition.

Our country must have leadership. But before we follow any would-be leader, we need to find out if he knows where he is going, and be sure he is headed in the right direction.

Americans failure to seek truth is not caused by lack of intelligence or information, but lack of courage. It is so much easier to accept the obvious than search for the obscure.

Few people study to discover truth anyway; the majority of us prefer to confirm our erroneous thinking and perpetuate our prejudices.

No man seeking truth needs to avoid honest differences of opinion with his fellows. We may enjoy talking with those who agree with us, but we learn more from the ones who disagree.

Only when a cherished conviction has been challenged are we likely to be driven to a sincere search for truth.

The next time a politician promises happiness and prosperity when an all-powerful government takes care of you, ask him what it has done for the American Indian.

Several powerful senators are still fighting for gun control. But the truth is the danger to people when they cannot own guns is much greater than any danger gun ownership can ever create.

In Russia and Red China — where the government controls all guns — some 95 million people have been brutally slaughtered in the last 50 years.

Any time a government gets the power to protect the people from themselves, the people lose the power to protect themselves from the government.

When a political candidate decries big government in one breath, and promises bigger government in the next, his audience would do well to look elsewhere for truth.

It is as great an error, however, to trust no man as it is to trust all men. The majority of Americans are still hard-working, law-abiding, well-meaning people who want the best for our country.

And we still have honest statesmen who want to serve instead of being served. If we are too busy to search them out — we deserve the scheming politicians we are sure to get.

Wilson returns

He's back.

Carroll Wilson, who left The News in August to serve as Randall County's first administrative assistant, is back at The News now as associate publisher.

He resigned from the county position two weeks ago, effective Oct. 15.

Wilson will share ownership with Canyon News publisher Troy Martin and will have expanded responsibility in the business and production of the newspaper, as well as in the editorial department.

Wilson was editor of the paper from 1968 until his resignation ten weeks ago.

Letter

Columnist called bigot

Dear Troy,

I try to read every editorial in The Sunday Canyon News, including Ann Brown, even though it is quite evident that she was born 100 years too late. . . . .

She evidently has her little corner of heaven reserved; and is imbued with Divine insight that makes her an infallible expert on every question, on any subject she wishes to offer for the readers edification.

When Miss Brown wrote that men give love to get sex and women give sex to get love, that was sheer idiocy.

Evidently Miss Brown looks at marriage as an adversary situation where two people bargain with each other both in bed and out of bed.

There certainly are people who live this way, but there are numerous husbands and wives who have a mutuality of love and respect that precludes any exploitation of one by the other.

These couples also share equality.

Last week Miss Brown castigates women who have the audacity to say that they are equal with men; and who want it to become the law of the land.

This is the most perfect example of a self-satisfied, self-righteous bigot that I have ever witnessed.

Miss Brown is a self-styled oracle who thinks every word that flows from her pen is straight from God.

In her quest to have women obey men, she would in all likelihood, push for slavery, so that men could have more women to "obey" them.

Miss Brown's writing reveals a dislike and distrust of her own sex. She also forgets that the Bible she quotes and misquotes so often was written by men for men; and that at least one writer, Paul, had a lifelong dislike for women.

Miss Brown's judgement of an unfortunate woman who lived a tragic life, and the assumption that any woman who seeks equal treatment is the same kind of "obstinate old woman" shows narrow-minded ignorance and a lack of charity for woman in general and one poor soul in particular. . . . .

Personal happiness is made up of many factors. Belief in God can be a source of happiness, but it certainly is not a requirement for happiness. Untold millions of people make their own rules and find and give happiness outside the narrow confines set down by Miss Brown in the name of her God.

I look forward to the day when all women are perceived to be equal to men by men and other women. On that day women can compete intellectually, in the market place, and anywhere else they wish to, without giving or receiving quarter simply because they are born women.

This will not diminish their femininity. Neither will it lessen a woman's pride in her womanhood. It will strengthen it.

I don't really think you will print this letter, because it criticizes a surviving and published relic.

Thank you for at least reading my thoughts.

Cordially,
Vivian Kay D. Madewell

Things to do

OCT. 17

Concert: University Chorale and Chorus, 3 p.m., Branding Iron Theatre.

OCT. 18

Senior Recital: Scottie Jackson, Linda Harman, 4 p.m., Branding Iron Theatre.

Concert: University Orchestra, 8 p.m., Brandint Iron Theatre.

OCT. 19

Speaker: Richard Scammon, political analyst, 8 p.m., Activities Center Ballroom, $2 adults, $1.50 students.

OCT. 19-20

Movie: "Babes in Arms," 7:30 p.m., Activities Center Ballroom, 75 cents.

OCT. 20

Concert: Richie Lecea, singer/guitarist, 8 p.m., AC Ballroom, $2 area residents, $1 students.

Brown Bag Seminar: "Pot Luck and Politics," noon, Student Union Building Faculty Lounge, with Fred Marsh and Dave Matthis, chips and drinks provided.

Senior Recital: Paula Williams, percussion, 4 p.m., Brandint Iron Theatre.

Canyon's churchlife

"Religious Trends In America: 1976" will be the theme for Dr. Harvey Cox, professor at Harvard Divinity School, as he addresses United Campus Ministries members from West Texas State University on Thursday evening.

He will speak at 8 p.m. in the West Texas State University Activities Center ballroom, and the public is invited.

Dr. Cox will speak earlier that evening at a 5 p.m. dinner in the parish hall of St. Ann's Roman Catholic Church to address area clergy and university faculty members and administrators. Reservations will be needed for the dinner.

* * *

"Flame In The Wind," a two hour feature film about the Spanish Inquisition, will be shown this evening at Grace Baptist Church, 2008 12th Avenue. The program will begin at 6 p.m. and local residents are invited for the presentation by the pastor, Rev. Richard Korsmo.

* * *

University Church of Christ is making plans for a fall gospel meeting to be held Oct. 21-24. Evangelist for the services will be Doug Kostowski, a native of Flint, Michigan.

* * *

"Study of World Hunger" will be the topic of discussion for the United Campus Ministry students this evening at the Episcopal Student Center. The program will follow a 50 cent dinner for university students participating.

* * *

First United Methodist Church will begin a confirmation class for seventh through ninth grade students on Oct. 31. The class, to be taught by the pastor, Rev. Bill Kent, will extend through Nov. 28. Students desirous of joining the local church will be received by the church in rites Dec. 5.

* * *

A drama group is to be formed this evening at the Canyon Christian Youth meeting in fellowship hall of the First Christian Church. The meeting begins at 5:30 p.m. and is open to all junior and senior high students interested in participating. A light snack supper will precede the planning session.

* * *

Greenery for the holidays is available again this year through the United Methodist Youth Fellowship groups and orders must be placed before Oct. 31. Proceeds from the sale will go toward youth activities. The youth will be selling: berried English Holly, an Evergreen Home Decorator Kit, an Alpine Christmas Wreath and a 7 ft. Western Cedar Garland. Delivery will precede the holiday season.

* * *

Helping Hand group of the First Christian Church will gather Tuesday, Oct. 19, for an 11:30 a.m. luncheon in fellowship hall of the church. The group plans to finish painting the kitchen in fellowship hall and work on other service projects following the salad luncheon.

* * *

An after-worship luncheon for the Pathfinder's Sunday School Class is planned for 12:15 today in the fellowship hall of First United Methodist Church of Canyon.

Thursday, Oct. 21, the Family Center of First Baptist Church will be the site for a local meeting of the Church Library Association. The workshop will be led by Beth Pratt of Floydada, who has led library conferences for several years at Glorieta.

The workshop is open to anyone interested in public relations and library roles and will begin at 9:30 a.m. with a salad luncheon to follow.

* * *

"A Life Worth Keeping Pure" based on the seventh of the Ten Commandments "thou shalt not commit adultery" will be the morning worship topic today at First Baptist Church of Canyon.

The evening worship will be based on Luke 15 and is titled "You Can Come Back."

* * *

"Women's Role in the Church" will be the subject of a special devotional Monday evening at 6:15 p.m. at the Church of Christ Bible Chair on the campus of West Texas State University.

* * *

Tuesday evening the first of several Cottage Prayer Meetings will be held by the First Baptist Church in preparation for the fall revival scheduled Nov. 7-10. Several local homes will be the site for Cottage Prayer Meetings which are scheduled on Tuesday evenings, October 19, October 26, and November 2.

* * *

First Presbyterian Church of Canyon was host Saturday to a church officer training session involving church elders deacons and church nominating committee members from the area. Involved in the workshop were representatives from four Amarillo Presbyterian Churches along with members of the host church.

Dr. James McCord, president of Princeton Theological Seminary in New Jersey, was guest speaker for the special evening worship services.

* * *

Wayside Community Church is playing host to a homecoming of area residents and friends of that community today. Following the Sunday School hour at 10 and worship at 11, a basket lunch will be served in the church basement for all interested persons with a homecoming program during the afternoon.

Welcome

The new pastor of Southside Baptist Church and his family are the Rev. Stanley May, Tim, Arlyne May and Brian.

New pastor arrives for Southside

Southside Baptist Church at 2009 10th Avenue in Canyon announces the recent arrival of Stanley May as the new church pastor.

A native of Sulphur Springs, Texas, Rev. May formerly held pastorates at the First Baptist Church of McAdoo, Jefferson Drive Baptist Church of Liberty, Texas and the North Liberty Baptist Church of Sulphur Springs. He studied at Texas Technological University last year and plans to enroll at West Texas State University this spring.

Rev. May's wife, Arlyne, has taken an accountant's position with Taylor and Sons Food in Canyon. The Mays have two sons, Tim, a fifth grade student, and Brian, a second grade student.

Fall gospel meeting starts here Thursday

Fall Gospel Meeting for University Church of Christ in Canyon begins Thursday evening, Oct. 21, and will continue through Saturday, Oct. 24, with Doug Kostowski of Hawthorne, California as evangelist.

A native of Flint, Michigan, Kostowski was educated at Freed-Hardeman College in Henderson, Tennessee and Harding College at Searcy, Arkansas.

He is a frequent speaker on college campuses across America and has written for various church publications. He preached for churches in Arkansas and Michigan before going to California where he was with the Inglewood Church of Christ in Los Angeles before becoming associated with the Palos Verde Peninsula Church, where he presently serves.

"Power to Master Life" will be the theme of the revival study in Canyon which begins with an early service at 6:15 p.m. in the Bible Chair Student Center on Thursday. Worship services at University Church of Christ, 3400 Conner Drive, will begin at 7 p.m. that evening.

Friday evening worship will begin at 6:30 p.m. at the city church allowing early dismissal for the district football game between the Eagles and Perryton at Kimbrough Memorial Stadium.

Revival services will be held at 7 p.m. Saturday evening and the Sunday schedule for Oct. 24 will include Bible Classes at 9:30 a.m., worship at 10:25, and the evening service at 6 p.m. Local residents are invited to attend the revival services by the local pastor, Bob Crass.

Election set

Election for 1977 officers to head the Randall County Junior Livestock Association will be held Oct. 21 at 7:30 in the vocational agriculture meeting room at Canyon High.

Early planning will begin that night for the 1977 Junior Livestock show.

Champs are picked

A flag football team that never got a name won the Canyon flag football championship with a record of three wins and two ties.

"They would all have wanted to be the Cowboys," said coach Frank Landram, "So we just didn't name the teams."

There were six teams in the Canyon league sponsored by Kids, Inc. for youngsters in the first, second and third grades.

Rotary Gov visiting local club here

Canyon Rotary Club will host a visit Monday evening, Oct. 18, with the Rotary District Governor John Tyler of Midland making his official visit here.

The Club Assembly meeting will be held Monday evening and the Rotary District Governor will also be the guest speaker for the regular Rotary Club meeting Tuesday noon at Canyon Community Center.

Tyler will be discussing the program of the coming year for the 45 clubs of the 573rd District of Rotary International, which covers the majority of Northwest Texas.

A native of Southern California, Tyler received a B. S. degree in Petroleum Engineering from the University of Oklahoma in 1957 and moved to Midland in 1967 where he is the District Production Superintendent for Union Oil Company of California.

An active Rotarian since early 1966, Tyler is a past president of the Midland Downtown Rotary Club. He and his wife, Dede, recently returned from the Rotary International Assembly in Boca Raton, Florida and the International Rotary Convention held at New Orleans.

In addition to civic and industrial work, Tyler is a past president of the City of Midland Swim Team and was organizational chairman of the Texas Swimming Association. He is a member of the Southwest Football and Basketball Officials Association, active in Midland Community Theatre, and chairs a national committee of the American Petroleum Institute.

Top team

Champs of the flag football league: Robert Pond, Travis Tucek, Chris Barrett, Dennis Elders, Susie Schickedanz, Todd Bigham, Cole Altman; (second row) Deric Brazeal, Jeff Williams, Dennis Rice, David Elders, Steve Carey, Thor Swanson, Lance Landram; (third row) Richie Williams, Justin McClure, Scottie Blevins; (coaches) Ron Elders and Frank Landram.

Politics for lunch

"Pot Luck and Politics" will be the theme for Wednesday's Brown Bag Seminar, sponsored by Women Involved in New Goals (WINGS) at West Texas State University.

Taking the positions of the two major presidential candidates (Republican and Democrat) in the current political campaign, Fred Marsh and David Matthis, WTSU political science instructors, will present a talk involving such issues as inflation, unemployment, economics, abortion, women's rights and busing.

"There will be no evaluation as such, just a presentation," said Marsh, assistant professor of political science.

Scheduled for noon Oct. 20 from 12 to 1 p.m., the luncheon seminar will be held in the faculty lounge of the Student Union Building (SUB).

Johnson leaving WT for Austin

Karen Johnson, who has been the legal advisor for West Texas State University for almost three years, will take a job next month as a staff attorney for the Texas Education Agency in Austin.

While at WTSU, she was named one of the Outstanding Women of America.

Johnson will begin work in Austin on Nov. 1.

Grain. . .

(Continued from Page 1)

of Manitoba in Winnipeg.

In 1966, he left the university to devote his full time to triticale development.

Triticale is a superior grain, Kershen said. The seed bearing head is much larger than wheat and may bear a hundred or more kernels.

Research has shown that triticale will support three head of cattle compared to a wheat grazing plot that will support one. The protein content is higher than other grains also, said Jenkins.

Although Jenkins and Kershen have studied the grain for years, there are many more years ahead of them.

"The answers we are getting right now from those 12,000 packets of seed will be applied for the next ten years before all the answers are known," Kershen said.

Each harvested head of triticale must be put through a thresher by hand, to be packaged separately. They must be marked and coded for later planting.

Although triticale is a hybrid, embryo culture techniques have given the grain the ability to reproduce. Triticale is the first man-made grain, Jenkins pointed out.

Besides the nursery here, Jenkins has other research facilities in California and Missouri.

Spook. . .

(Continued from Page 1)

The ambulance is being purchased through a federal funding program that pays half of the cost. The county's ambulance contractor, Metropolitan, has agreed to equip the vehicle.

The only other business on tap for the commissioners is consideration of a request to pave part of an alley.

The commissioners will meet Monday night at 7 in commissioners chambers in the city complex.

Concert. . .

(Continued from Page 1)

members.

Guy Bailey on the electric base and Mark Huber on the trap set will be featured with the Symphonic Band.

The annual fall meeting of Band Parents will follow the concert. Parents of band members in elementary, junior high or high school are invited, Hittinger said.

THE RCA ColorTrak CHALLENGE

RCA ColorTrak for 1977 is here. Come in and see why it's the finest color TV RCA has ever made. Once you see ColorTrak in action, we're sure you'll want to own it—so sure, in fact, we invite you to accept our unique challenge.

Find a TV that beats ColorTrak and we'll get it for you.

Buy any Color Trak TV during the period from October 10 to November 6, 1976. Watch it in your home for ten days. Then if you're not convinced that RCA Color Trak is everything we say it is, just let us know. We'll replace the set with any comparably priced model of any make you choose. LIMITED TIME OFFER!

ColorTrak Table Model Special

Deluxe ColorTrak performance in a space-saving table model—yours at a very special price. Getting the color right is what RCA ColorTrak is all about. It's a remarkable development that actually adjusts color and keeps it on track. Before you see the picture, the ColorTrak System grabs it, aligns it, defines it, sharpens it, tones it and locks the color on track.

children.

"Our current Booster Club project is the purchase of a new camera for filming of athletic events.

"We would like to take this opportunity to thank the merchants who have purchased posters supporting Canyon athletics.

"Our Booster Club is concerned about projecting our club beyond the football program and helping to support basketball and baseball and other spring sports."

Langen reminds all those who plan on attending the meeting this Tuesday to come through the south door of the bank.

Lake. . .

(Continued from Page 1)

you meant to bring it up again this week. I didn't know you didn't want to consider it again at all."

The resolution was quickly tabled again.

Several days after that vote, friends of wildlife called county judge Woody Pond to protest.

"I got two or three calls," he said. "Not a whole bunch. They were concerned about it, about water conservation and wildlife.

"Most of them are duck and goose hunters."

So the item will be back on the county agenda Monday.

Also on the agenda will be consideration of hiring a new administrative assistant to replace Wilson, who resigned to return to The Canyon News.

There will be several items left over from past meetings. These include a discussion of proposed legislation on the probation commission, private sewage facilities regulation, a new county purchasing policy, and a tax information contract with Amarillo.

New items will include hiring a secretary for the juvenile probation office, discussing fire call accountability, searching for grant funds to buy road right-of-way, a resolution on the state retirement system, and calling for an election order.

The commissioners meet Monday at 1 p.m. in the Randall County courthouse.

Eagles. . .

(Continued from Page 1)

Borger punt which traveled only 20 yards and gave Canyon the ball at the Bulldog 49. The Eagles then went 49 yards on 9 plays with Joe Luquette scoring his first of two touchdowns on a four yard run. Hull was instrumental in the drive gaining 16 yards in three carries, Cooper kicked the extra point to give Canyon a 15-8 halftime lead.

The Eagles scored on their first possession of the second half moving 73 yards on 8 plays with David McKay scoring from the five. The big play in the drive was a 38 yard run by Luquette. With Cooper's extra point the Eagles had a 22-8 lead with 9:07 left in the third period.

On their second possession of the second half Borger put together a tedious but effective drive, going 72 yards in 17 plays to come back within eight, 22-14. Smith scored on a two yard run. The drive was aided by a Canyon penalty and an 18 yard pass completion.

The Bulldogs could get no closer though, losing a gamble on their next series which virtually gave Canyon the game.

The Eagles gained 11 first downs in the game and 245 yards rushing and 38 passing for a 283 yard total.

Borger gained 13 first downs on the evening with 137 yards on the ground and 84 yards in the air for a 221 yard total.

Canyon will meet Perryton in their biggest game of the season at 7:30 this Friday at Kimbrough Stadium.

Study. . .

(Continued from Page 1)

stressed the confidentiality of students participating in the study.

Test results will be coded by number and the names of the students will be held at the school.

"Under this system, the school has the names of the participants, while the research organization has the student identification number with no names. Thus, the research organization cannot report on individual participants by name," Lawless said.

Mrs. McGregor pointed out that since millions of dollars of taxpayers' money is spent each year in remedial education programs, this study could save tax money by determining what programs work and what programs don't.

Canyon schools are considered to have one of the top remedial reading programs in the state.

Football

10-17 issue inside
Jr. High 1-18 goth 2

Junior High football teams this week will play:

Tuesday —
7th grade purple at LaPlata at 4 p.m.
7th grade white at Coronado at 5:30 p.m.

Thursday —
8th grade purple at LaPlata at 5:30 p.m.
8th grade white at Coronado at 4 p.m.
9th grade purple vs. LaPlata here at 4 p.m.
9th grade white vs. Bushland at 4 p.m.

Frosh team wins

Led by Bruce Byrd's 111 yards, the Canyon purple 9th grade team defeated Hereford Stanton Junior High last Thursday.

"I think that just now we are coming into our own and can play football with anyone on the ninth grade level," said Coach Gary Conner. "We are playing very well as a team."

Conner mentioned the blocking and running of Blaine White and the up front blocking of Kyle Paris, Kent Johnson and Ron Allen as instrumental in the victory.

"We gained most of our yardage right up the middle with the trap and counter," said Conner.

Conner mentioned Kip Pruitt, Louis Byers, Jeff McKay, Bill Grulkey, Byrd and White as the leaders of the defense.

The purple team, which is 2-0 in district play and has two more games to go, will next face Hereford LaPlata at 4:00 p.m. this Thursday at home.

CJHS choirs concert set

A fall choir concert has been set for Oct. 26 by Canyon Junior High School Choirs under the direction of Steve Hilton.

The choral program will feature selections from the Broadway musical "Fiddler on the Roof," various spiritual selections, a medley of hits from the 60's, and original girl's choir selections.

Choirs performing will be the seventh and eighth grade boys and girls choirs as well as the ninth grade mixed choir.

Admission will be $1 for adults and 50 cents for students and children with tickets available from all choir students or at the door.

Proceeds from ticket sales will go toward the purchase of new choir robes, which was recently approved by the school board.

Collegiate choir to sing

The West Texas State University choral director Dr. Hugh Sanders and his Collegiate Choir and University Chorale will stage their seasonal concert Sunday afternoon at three, in the Branding Iron Theatre, located in the Fine Arts Building.

The Collegiate Choir will open the program with "Shout and Clap Praise to God" by Kenneth Staton, "Canticle of Praise" by John Ness Beck, and "Cantata 150" by J. S. Bach. The Cantata is divided into halves; "Leite mich in deiner Wahrheit" (Establish me upon the rock of trust), and "Leit eine Augen sehen stets zu dem Herrn" (And mine eyes shall look to Him).

Also included in the choirs' selections are "Talk Not To Me" by Milan Kaderavek, and an arrangement of Churck Casseys' "Feelings."

Accompanist for the Choir is Steve Woodson from Hobbs.

Performing next will be the Chorale. Their music for the concert includes "Sing We Merrily Unto God Our Strength" by Martin Shaw, "Alles, was Odem Hat, Lobe den Herren" (All that hath life and breath, praise ye the Lord), by J. S. Bach, and "What Is A Heart" by Dede Duson.

Blue ribbons

Water Buffs winners are: (bottom row) Davalyn Webb, Beth Sawvell, Walter Labrie, Brian Oliver, David Head, Russell Mitchell; (second row) Tim Shelly, Nicky Coleman, Chuck Head, Anne Sawvell, Debbie Head; (third row) Howard Schram, Peter Shelly, LaDona Harvey, Gwynne Schram, Steve Haney; (top) Gwynne Labrie and Melissa Shelly.

Water Buffs win

Water buffs earned wins in "B" and "C" category competition recently in a swim meet sponsored by the Maverick Boys Club.

Peter Shelly, competing in the 13-14 age group, placed fourth in the 450-yard free style and fifth in the 200-yard free style.

Debbie Head placed sixth in the 100-yard breast stroke.

In the 11-12 year old division, Anne Sawvell was third in the 100-yard breast stroke, the 100-yard back stroke and the 50-yard free style. She was fourth in the free individual medley, the 100 free and the 200 free.

Nicky Coleman was third in the 100 breast and fourth in the 100 back.

In 10 and under, David Head was first in the 50 free, second in the 200 individual medley and the 50 breast, third in the 100 free and the 50 back stroke.

Beth Sawvell was sixth in the 50 back stroke and Walter Labrie was fifth in the 50 back stroke.

Placing with "B" times were Anne Sawvell, Peter Shelly, Debbie Head, Nicky Coleman, Chuck Head, Beth Sawvell and Russell Mitchell.

In "B" events, Debbie Head was second in the 100 butterfly, 100 free, 200 free and 200 individual medley.

Gwen Shram won the 100 back and 50 free and placed second in the 100 breast. She was third in the 200 individual medley, the 100 free, 200 free and fifth in the 100 fly.

Chuck Head was first in the 100 back and 100 free and second in the 50 free. He was fifth in the 200 individual medley.

Tim Shelly was second in the 100 back and fourth in the 50 free.

Doug Morris was fifth in the 100 back and Howard Shram was fifth in the 100 free.

In 9 years and under, Beth Sawvell placed second in the 50 fly while Russell Mitchell won the 50 breast stroke and was fourth in the 50 butterfly.

David Head won the 50 fly.

Bryan Oliver was sixth in the 50 back and the 50 free.

Walter Labrie was fourth in the 50 free and LaDona Harvey was sixth in the 100 free.

JVs score 35-0 victory

Jeff Wisebart rushed for 110 yards and scored one touchdown to lead the Canyon High School junior varsity to a 35-0 victory over the Lazbuddie varsity last Thursday.

"Our kids did a real good job and they are maturing not only as athletes but as young men," said Coach Bob Schneider. "We were very pleased, our kids took it to them pretty good."

The Eagles scored a touchdown in the first three quarters and two in the fourth. Wisebart scored the initial score on a 40 yard run. In the second quarter Keith Melton caught a 2 yard touchdown pass from Stan Mayfield for the second Eagle score. Tracy Bird scored in the third quarter on a one yard run and the Eagles scored twice in the fourth quarter on a 40 yard run by Jimmy Johnson and a 60 yard punt return by Eddie Clement. Clement kicked all extra points.

Mike Moore was the leading rusher for the Eagles with 126 yards. Overall the team gained 398 yards.

Airman off to Wyoming

Airman Paul A. Buckles has recently been assigned to Francis E. Warren Air Force Base in Wyoming for duty with a unit of the Strategic Air Command.

Buckles, trained in security and law enforcement, graduated from the Lackland AFB, Tex. U. S. Air Force technical training course for security police specialists.

Completion of the course enables the airman to receive academic credits through the Community College of the Air Force.

Buckles, the son of Mr. and Mrs. Merril W. Buckles of Canyon, is a 1975 graduate of Canyon High.

Guitar concert

Richie Lecea, singer/guitarist, will present a "mini-concert" Wednesday, Oct. 20, in the Activities Center Ballroom at 8 p.m.

Sponsored by the Student Activities Council, the Lecea concert will be $1 for students and $2 for area residents.

Lecea, who has published an album entitled "Magic," has played the warm-up for Jose Feliciano and Barry Manilow.

Clothing room open

The clothing room at the University Church of Christ, 3400 Conner Drive, will be open to the public Thursday from 1-4 p.m.

Anyone in need of clothing is invited to come to the west entrance. Children's clothes may have to be limited because of the demand.

Organizer of nursing school chosen by academy

A West Texas State University graduate who was instrumental in developing a nursing school here has been admitted as a Fellow in the American Academy of Nursing.

Eunice King of Amarillo, who completed a masters degree in education at WTSU in 1973, is one of the 129 currently practicing registered nurses chosen for membership from among the one million registered nurses now in service.

Mrs. King was recognized for her outstanding contributions in developing nursing education from the licensed vocational nurse level through the graduate level in the Panhandle region.

She has served on the Nursing Project Review Committee of the Department of Health, Education and Welfare, and on two committees of the state college and university system Coordinating Board. She has also been appointed to two six-year terms on the Board of Nurse Examiners.

Mrs. King played a primary role in the development of the baccalaureate program of nursing at WTSU. Starting in the early Fifties and continuing through the Sixties, she headed many local committees organized to obtain nursing education in the region.

This goal was realized in 1970, when the Coordinating Board approved the program.

During the first four years, Mrs. King provided the leadership in organizing and implementing the program at West Texas. This was done without pay and in addition to serving as administrator of special patient services and education for the Amarillo Hospital District.

She has also developed a ten-lesson television series used throughout nursing schools and has co-authored a basic textbook on nursing techniques to be published this coming spring.

Fall board meet for clubwomen

Fall board meeting for the Top of Texas District, Texas Federation of Women's Clubs, will be held Tuesday, Oct. 19, in Canadian, Texas.

Canyon has six federated clubs including the University Study Club, Woman's Book Club, Sue Hite Club, Heritage Woman's Club, Canyon Study Club and the Les Amies Juniorettes.

Several representatives from the local clubs are expecting to attend the fall board session.

The Baha'i Faith enjoins upon its followers the primary duty of an unfettered search after truth.
Baha'u'llah
For information: Thurs. 7:30 p.m. WTSU AC Rm. 212 or call 655-7949.

Senior Citizen Activites

A full slate of activities are scheduled this week for Canyon Senior Citizens Association including:

Monday — yoga exercise class from 6-7 p.m.

Monday through Friday — Macrame classes 9:30 a.m. to 12 noon with Delpha Downing as instructor.

Tuesday — Discussion group meeting 10 a.m. until 11 a.m. with guest speaker, Dr. Albracht, to show a public service film.

Wednesday — Game time from 1-5 p.m., chairman, Harley Burrus. Open to all.

Thursday — Oil painting class, 2-4 p.m., with Glenna Wilson as instructor.

Thursday — Weekly pot luck supper, 7 p.m., games and fellowship following.

Friday — Oil painting class 9:30 a.m. until 12 noon with Lillie Hundley, instructor.

All residents aged 55 and above are invited to join Canyon Senior Citizens Association and may inquire of membership by contacting the office, 655-3331.

HD Club memberships among nation's largest

Home demonstration clubs have the largest membership of any other women's club in the world, Mrs. Becky Hall, county extension agent says.

What do these women have in common that interests young and old, rural and urban, and highly educated to average educational level women all over the world?

The agent pointed out that the Homemaker Creed gives an insight. "We believe in the present and its opportunities, in the future and its promises . . . improving, enlarging and endearing the greatest institution in the world — the Home."

Over 29,000 women belong to the Texas Home Demonstration Clubs and EHE Study Groups. They are interested in their home, their family, their community and their country — also in self-growth. Each home demonstration club meeting offers its members an opportunity to receive an educational program that is planned around the family, home, community or county need request, she said.

Education is an important part of the organization, but there are many other opportunities offered besides education and the immeasurable social aspect. It is also hard to measure self-growth. Leadership growth and self-confidence often happen without realizing when or where it was happening.

Because of the desire to satisfy the needs and interests of all members, home demonstration clubs and family living committees in each county sponsor many varied programs, where all women have an opportunity to enjoy and improve themselves, she said.

Home Demonstration Clubs and EHE Study Groups have open membership. Anyone interested in joining an active club or organizing a new club of eight to ten persons should contact the county extension agent who will see that individual interests are considered, Mrs. Hall said.

You can sell most anything with a SEEK ad. Call 655-7121.

Going somewhere? Or been? The Canyon News wants to know about it — and so do its readers.

Historic sites for HWC Monday

"Canyon Country" will be the title of a visual aids program to be given by Johnnie Gordon for the Monday evening meeting of Heritage Woman's Club.

The meeting will begin at 7 p.m. in the home of Linda West at 1105 Brookhaven.

Mrs. Gordon, Texas Heritage department chairman for the club, has prepared a special slide program featuring all of the historic locatjons in and around Canyon to be shown for the club's Texas Day program.

Ann Shell and Dennis Dorsey

Marriage planned

First Presbyterian Church of Canyon will be the setting for the Dec. 4 marriage to be read between Miss Ann Shell and Dennis Dorsey.

Miss Shell is the daughter of Mr. and Mrs. Francis Shell of #13 Hunsley Hills Boulevard in Canyon. She is a full time employee of Shell's Pharmacy in Canyon.

The prospective bridegroom is the son of Mr. and Mrs. Bobby Dorsey of 5315 Briar, Amarillo. He is employed with Tile Craft, Inc. in Amarillo.

Birthdays

The Canyon High School Band Calendar project lists the following folks who will be celebrating birthdays during the week of October 17-23:

Oct. 17 — Joy Richie, Genelle Bourland, Janet Johnson, David Green, Leon Fowler, Dale Young, Randy Whitson and Barbara Huber.

Oct. 18 — Paula Gray, Glenn Williams and RoseMary Whitehead.

Oct. 19 — Marie Wilkerson, Donnis Barker, Sherrill Rickman, Todd White and Raymond Tyler.

Oct. 20 — Muffin Watson and Betty Ferguson.

Oct. 21 — April Bridges, Sharon Johnson, Stan Cranmer, Shirley Donnell, Ken Cates and C. Jacob Huber.

Oct. 22 — G. J. Bonds, Jr., J. L. Denton, Katherine McDonald, Staci Lyles, Shane Stockard, Weldon Revel and Sharon Ramaekers.

Oct. 23 — Donald Campbell, June Southern, Ronda Ray, Calvin Fletcher, Ewain Fletcher and Debbie Ramaekers.

Carolyn Sue Sherley and Eddy Allen Young

November wedding planned

Mr. and Mrs. O. C. Sherley of Megargel announce the engagement and approaching marriage of their daughter, Carolyn Sue, to Eddy Allen Young, son of Mr. and Mrs. Melvin Young of Kress, Texas.

The bride elect is employed by the American Quarter Horse Association of Amarillo; and the prospective bridegroom is employed by the City of Canyon.

The wedding will be in the home of the bride elect's aunt, Mrs. W. A. Cooper, Jr. of Canyon on Nov. 12.

Diamond dish taster held

Diamond Dishes Day was held Sunday, Oct. 10, at the home of Mrs. Paul Stevenson for the actives, pledges, mothers and area alumnae of Alpha Delta Pi.

The occasion was sponsored by the Canyon Alumnae Association of Alpha Delta Pi and was attended by about 75.

A tasting tea was held and plans were made for a garage sale to be sponsored by the alumnae on Oct. 23.

Mildred Cannon was chairman for the annual event and hostesses for the afternoon included Mary Criswell, Linda Loerwald and Scotty O'Briant.

Next regular meeting of the alumnae chapter will be a philanthropic workshop set for Nov. 8 at 7 p.m. in the homemaking room of Canyon High School.

MILs meet Thursday

Canyon Mother-in-Law Club will be meeting Thursday afternoon, Oct. 21, beginning at 2:30 p.m. in the S. L. Robinson home at 1007 7th Street.

Bake swap set for Dames here

A "bake swap" for members and guests of the Canyon Dames is planned for Thursday, Oct. 21, to be held in the home of Evelyn Kopczynski at 1700 Creekmere.

The meeting will begin at 10 a.m. and all members are encouraged to provide a baked item and recipe for the annual exchange.

4-H news: Awards night a success

By PAUL SAMMONS
Assistant County Agent

Our 4-H Awards Banquet was held Oct. 7 at the community center in Canyon.

We all felt it was a huge success and all enjoyed it.

Bob, Becky, and I wish to thank the 4-H clubs of Randall County for the extremely nice gift. We appreciate each and every one of you very much.

Guy Osborn will be showing his steer at the State Fair in Dallas on Oct. 20. We all want to wish Guy the best of luck and hope he will bring another ribbon back to Randall County.

The Randall 4-H Club will have a meeting and bowling party Oct. 24 at 2 p.m. at the Winters home on FM 2219. This will be a meeting to organize and plan the club meetings for the upcoming months. Each and every Randall member should attend this meeting.

There will be a meeting to organize a new 4-H club at the High Plains Children's Home on Oct. 28 at 7:30 p.m. This club will be for all of the kids from 9-19 at the children's home.

Attention Club Officers:

What: 4-H club officer training
When: Nov. 8
Time: 7 p.m.
Where: Farm Bureau Building
Who: All 4-H club officers, parents and leaders

This training will be conducted by Martha Couch, area 4-H youth specialist. We will look forward to seeing you here.

All 4-H'ers showing livestock will need to attend their 4-H club meetings before the agents will sign entries. This policy will be stood behind 100 percent.

Pat Althen, who topped a nationwide competition to win a $2,000 scholarship, was presented with a plaque in ceremonies Tuesday in Washington. Escorting her is WTSU professor of military science LTC Charles Laakso.

WTSU graduate student is presented top award

A West Texas State graduate student was presented the Gen. Creighton W. Abrams memorial scholarship in ceremonies in Washington, D. C. this week. The award is given to only two students each year.

Pat Althen was escorted on the trip by WTSU professor of military science LTC Charles Laakso.

Althen was selected as the Third Region ROTC nominee from among 12 finalists. She topped approximately 70 other ROTC cadets nationwide to earn the $2,000 scholarship.

The award was presented at the annual Association of the United States Army convention by Lt. Gen. John Tolsen (Ret.).

Althen is enrolled in a master of arts program for junior college teaching with her major field in psychology. She is a third year student in ROTC. This summer, she was a reporter for the News.

'Babes in Arms' on movie marquee

"Babes In Arms," starring Mickey Rooney and Judy Garland, is scheduled on the West Texas State University marquee for Oct. 19-20.

Sponsored by the Student Activities Council (SAC), the movie will be shown at the Activities Center Ballroom at 7:30 p.m. Admission cost is 75 cents.

The movie is about a talented group of second generation vaudeville entertainers who organize and present their own highly successful show in an effort to pull their parents out of the financial red.

Melanie Gail Lundberg

Nuptial plans told

The engagement and approaching marriage of Miss Melanie Gail Lundberg and James Lougene Lamb, Jr. is being announced by Mr. and Mrs. Ocie DeVoll of 3713 Rutson, Amarillo, parents of the bride-elect.

The prospective bridegoom is the son of Mr. and Mrs. James Lougene Lamb, Sr., southwest of Amarillo. He is a graduate of Canyon High School and currently attends West Texas State University where he is a business administration major. He is involved in farming and ranching operations with his father.

Miss Lundberg, a graduate of Tascosa High School, is a sophomore dental hygiene major at Amarillo College. She is employed with Sears Roebuck and Company in Amarillo.

The couple is planning to be married Saturday, January 8, at St. Stephen United Methodist Church in Amarillo.

WBC has 'art' program here

Woman's Book Club met Wednesday afternoon in fellowship hall of the First Christian Church of Canyon for a program on "art" given by two local artists, Mrs. Glenna Wilson and Mrs. K. E. Hines.

Both women showed samples of their own art work along with works from other artists including various media. Mrs. Wilson spoke briefly on the many forms of art and read several poems which illustrated yet another form of art.

Refreshments were served to twenty-seven members and two guests, Mrs. Glenna Wilson and Mrs. Lillian Terrill.

Hostesses for the afternoon were Mrs. Marjorie Brewer, Mrs. Irby Carruth and Mrs. S. H. Condron.

Next meeting of the club will be Nov. 10 in the home of Mrs. Irene Beard with Mrs. Crews Henry to present the program on "America Today."

The Phone Line
655-7121

NURSING HOME RESIDENTS will soon have a touch of Mexico as flowers used at the Faculty Wives, Etc. fashion program on Saturday were to be distributed to shut-ins afterwards.

* * *

LAST SUNDAY'S HARVEST Home Tour ticket buyers and those who purchased gift items at the Country Kitchen helped the University Study Club raise $1,172.70.

The project chairman, Annette Lippold, reports that all proceeds from that annual event are specified for support locally. The USC annually contributes support to the Little League, Girl Scouts, Meals on Wheels, Big Brothers and organizations of that sort and also provide a scholarship stipend for a graduating high school student.

A new project to benefit from excess funds raised by the home tour this year will also ultimately benefit all local residents, as the club plans to donate toward the purchase of a heart monitor for Palo Duro Hospital.

* * *

SPEAKING OF "HEART," did you see those bike and trike riders on Saturday? They were raising funds for their riding efforts to benefit the local unit of the American Heart Association.

* * *

UPCOMING FOR CANYON Study Club is the annual sponsorship of the Halloween Carnival for city youth. Other clubs have been asked to join the effort and should make final arrangements for booths early this week.

The carnival has been set for Oct. 28 so that it won't hamper resident's planning to attend the Eagle district game with Dumas on Friday evening; or the West Texas State University homecoming activities and game on Oct. 30.

Halloween, itself, isn't until Sunday, Oct. 31, so we are wondering when the "trick-or-treaters" will be about the city seeking their "goodies".

* * *

SEVERAL ACTIVITIES ARE planned next month including the federated club's annual dinner on Nov. 8 at the Presbyterian Church and the annual Umbarger German Sausage Festival on Sunday, Nov. 14.

Also planned for November is the second annual Arts Americana to be held in the Activities Center ballroom at West Texas State University.

Folks seeking craft items and unusual gifts for those on their Christmas list would do well to shop at both the Umbarger Festival "bazaar" and at the Arts Americana being sponsored by Heritage Woman's Club.

DAR discusses landmarks

"Restoration of Historic Landmarks" was the subject of the program Monday afternoon as Esther McCrory chapter of the Daughters of the American Revolution met.

The October meeting was at the W. W. Bridges home in Amarillo. Attending from Canyon were Mrs. Joe Findley, chapter regent, and members, Mrs. Jewell Hill, Mrs. W. A. Terrell, Mrs. R. S. Ramage, Mrs. Tom Knighton, Mrs. Hud Prichard and Miss Lou Ella Patterson.

November DAR meeting will feature a program on "Defending the National Landmarks" to be presented by Col. John O. Childs of Canyon.

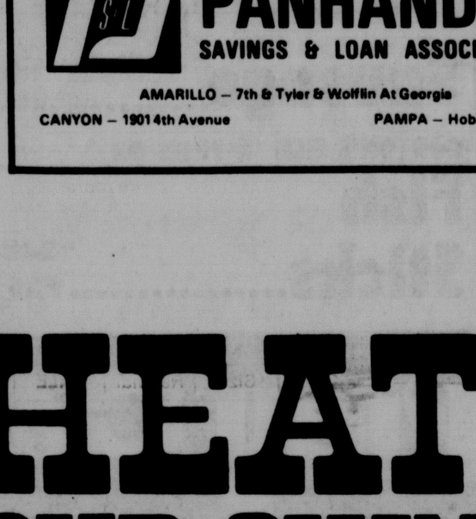

Student panel will discuss US education at club meet

Canyon Study Club will hear a panel of foreign exchange students of West Texas State University discuss "An American Education: What It Means To Me" at their meeting Monday evening.

The CSC meeting is set to begin at 7:30 p.m. in the home of Ella Brown at 3301 Linda Lane with Lila Vars as co-hostess.

The panel of foreign exchange students will be led by John Muthersbough, foreign student counselor at WT, and Mrs. Mary Hoover, secretary to the registrar.

IF YOUR COMPANY ISN'T PROVIDING FOR YOUR RETIREMENT WHO IS?

Plan with us, Today for your Retirement Tomorrow!

New Pension Act Enables Millions of Working Americans Currently Not Covered By Any Retirement Plan to Set Up Their Own Tax-Favored Individual Retirement Account.

You can save money and taxes with an INDIVIDUAL RETIREMENT ACCOUNT. It's a savings account where you can save your money for your retirement and pay the taxes later . . . when you retire. Come into Panhandle Savings and let their friendly counselors explain the full benefits of an Individual Retirement Account.

MEET LOST HEAT ON YOUR OWN GROUND... HIGH NOON OR ANY TIME

the heat pump captures lost heat, SAVES YOU MONEY . . .

A new heating system is a serious consideration.
Make sure your new heating system pays off in savings for you. The electric heat pump saves energy, so it saves you money. By using otherwise wasted Lost Heat present in outside air, the electric heat pump delivers as much as two units of heat for every heat unit of electricity it uses.
Call The Electric Company and find out about the heat pump . . . the electric heating system that saves energy and saves money.

ELECTRICITY-IT DOES SO MUCH GOOD

TRICKY Halloween TREATS

Halloween marks the beginning of Harvest Festivals and is the time when the ghosts and goblins, black cats, bats and witches are abroad playing tricks under a full moon. Friends gather to celebrate the harvest and relax from their long summer's work.

Pumpkins are carved into "Jack-O-Lanterns" and lighted with candles to scare evil spirits from the house.

Here are some frightfully delicious treats recommended to help get you into the spirit of Halloween and make your festival a super-natural success.

After carving your Jack-O-Lantern save the pumpkin seeds for:

Toasted Pumpkin Seeds

Separate the fiber from the pumkin seeds. Cover with salted water and bring to a boil, then simmer for 2 hours. Drain and dry on brown paper. Then spread the seeds in a shallow pan. Coat with cooking oil and sprinkle with Hickory Smoke Salt. Bake in 250° oven until golden brown. Stir from time to time. (also delicious with onion or garlic salt seasonings).

There are any number of "pumpkin" recipes for using up what is left of the Halloween jack-o-lantern including the traditional pumpkin pie, pumpkin bread and other treats of this sort.

This year, however, you may want to try Pumpkin Soup which is a new recipe provided through home economists of Southwestern Public Service in their annual publication of Festive Foods.

Or you may want to switch from Pumpkin Pie to a pumpkin dessert with a new twist, if so make up a family dessert of Pumpkin Pie Squares which not only feature a special crust, but a tasty topping.

Pumpkin Soup

2 Tbsp. butter
⅓ cup chopped green pepper
2 Tbsp. chopped onion
1 Tbsp. chopped parsley
⅛ tsp. thyme
1 bay leaf
1 cup canned tomatoes
2 cups pumpkin,
2 cups chicken broth
2 cups milk
1 tsp. salt
⅛ tsp. pepper
scant ¼ tsp. Tabasco sauce

Saute green pepper, onion, parsley, thyme and bay leaf in butter over very low heat for 5 minutes. Add tomatoes, pumpkin and broth.

Cover and simmer gently for 30 minutes, stirring several times.

Add remaining ingredients and heat to serving temperature, stirring frequently. Remove bay leaf.

Serve in small pumpkin mugs or soup bowls. Add more milk or broth to alter richness. Serves 6-8.

Pumpkin Pie Squares

Crust:
1 cup sifted flour
½ cup oats, uncooked
½ cup brown sugar
½ cup butter, melted

Combine crust ingredients using low speed on electric mixer, just until crumbly. Press into ungreased 13 x 9 x 2 inch pan. Bake at 350 degrees for 15 minutes.

Filling:
1 lb. can pumpkin
1 (13 oz.) can evaporated milk
2 eggs
¾ cup sugar
1 tsp. cinnamon
½ tsp. salt
½ tsp. ginger
½ tsp. cloves

Combine filling ingredients and beat well. Pour into baked crust and return to 350 degree oven for 20 minutes.

Topping:
2 Tbsp. butter, melted
⅔ cup chopped pecans
½ cup brown sugar

Mix together topping ingredients and sprinkle over partially baked pumpkin filling (when it has cooked for 20 minutes). Return the dish to oven for additional 20 minutes of baking, or until filling is set.

Test by inserting knife blade as done with pumpkin pie — makes 12 servings.

Practicality enhances "spook" fun

Halloween is a children's playday that should be fun and practical. Instead of buying Halloween paraphernalia, consider letting children make their own, suggests Dorthy Taylor, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

She suggested some do-it-yourself projects.

Halloween Cat — cut a large cat's head, body and tail from black construction paper. Glue egg carton cups with glass marble centers on the cat's head for wild eyes. Attach the head, body and tail with brass brads. Change the cat's position to make him look as if he is falling, running, frightened or just scary.

Jack-o-lantern mobile — cut an irregular ring out of heavy orange paper. Cut three triangles and one moon-shape out of heavy black paper for the eyes, nose and mouth. Don't forget the stem for the pumpkin. Hang the eyes, nose and mouth on strings to dangle inside the orange ring. Hang the mobile by a longer string attached to the stem of the pumpkin.

Paper plate mask — draw a scary face on a heavy paper plate. Cut out and/or paint the facial features on the plate. Use rug yarn or straw for hair. Punch a hole above the ears on each side of the plate. Attach a shoe lace on each side and tie around the head.

Noise makers — large, dried gourds painted with scary faces make excellent Halloween noise makers. The seeds inside the gourd make a nice "shushing" sound.

A small paper bag painted or decorated in a Halloween theme can be filled with dry beans, pop caps or jingle bells and attached to a stick. This is a great hand rattle.

"And for Halloween, every child yearns for a Jack-o-lantern. There are a few rules to follow in making this Halloween favorite."

— Select a fresh pumpkin. The size will depend upon your needs and the amount of money you want to spend.

— With a sharp knife, core out a small lid at the top (large enough to get your hand in the pumpkin).

— Remove the seeds and fiber from inside the pumpkin.

— Draw the desired face on the pumpkin with a pencil or crayon.

— Carve the Jack-o-lantern, following the design you drew.

— Place a votive candle in a candle glass or small can inside the pumpkin.

— When the candle is burning, remove the pumpkin top to prevent scorching the top. Burn your Jack-o-lantern and enjoy its glow a long time.

— Once Halloween is over, make all kinds of goodies out of the pumpkin meat. If your pumpkin is too large to use at one time, freeze it and use the pumpkin later to celebrate fall harvest, the specialist suggested.

Safety precautions add to holiday fun

As Halloween nears, safety comes to mind — especially costume safety.

Claudia Mitzel, consumer information specialist with the Texas Agricultural Extension Service, The Texas A&M University System, suggests some ways parents can make children's "trick or treating" safer this year.

— Consider using make-up to decorate the face rather than wearing a mask which may block vision.

— Sew or glue reflective tape to both front and back of the costume, be creative and incorporate the tape into the costume design.

— Check labels or packagi ıg on purchased costumes for flame retardant finishes. Children may be exposed to many direct sources of fires such as lighted pumpkins, colorful candles or open fires for toasting marshmallows.

— For home-sewn costumes, select fabrics that have a flame retardant finish. Or apply one at home — aerosol or home made. But remember that the commercial aerosol may not be effective on all fabrics, so check the aerosol label.

The specialist suggested a recipe for making flame retardant finish, but cautioned that this solution will work only on costumes made of muslin, burlap, old sheets — in other words, items made of cottons, cotton blends or other natural fibers. It is not good on synthetics or resin-treated cottons.

Dissolve three ounces of boric acid in two quarts of hot water and stir in seven ounces of borax (boric acid and borax are available at drugstores).

Soak the costume in this solution for about five minutes, then wring out and hang. When just damp, iron until dry.

"This solution will not appreciably change the fabric, although any fabric that will shrink or discolor in water will be affected by the solution. This treatment will not fire-proof a costume, but will help it to resist ignition and spreading the fire. It will be effective until the costume is laundered."

Founder's Day set for Oct. 24

Founder's Day for Delta Zeta Alumnae will be observed next Sunday, Oct. 24, at a meeting in the Quality Inn, I-40 East, Amarillo.

The sorority province directors have been invited as special guests for the event. Cost will be $5.95 per person.

Hostesses for the event are under the guidance of Carol Olson, chairman, with the hostess committee including Jo Moore, Jo Green, Pat Harwell and Joan Frost.

Jack Hightower believes in action . . . not empty words

When the voters of the 13th District sent Jack Hightower to Congress two years ago he pledged to represent all of them fairly and honestly. He promised to work full-time at the job. *HE HAS KEPT THOSE PROMISES.*

HERE IS WHAT THOSE WHO KNOW JACK HIGHTOWER'S RECORD SAY ABOUT HIS EFFECTIVENESS

". . . as one of the original co-sponsors, I again thank you for your splendid contribution which has brought about this most needed improvement in the estate tax law . . ."
Omar Burleson, Member of Congress

". . . your tremendous job on the floor and prior to the passage of H.R. 8410, the amendments to the Packers and Stockyards Act, are most deeply appreciated. It certainly was apparent to the people in the gallery and elsewhere that you know the subject matter well and handled the situation beautifully . . ."
C. W. McMillan, Executive Vice-President, American National Cattlemen's Assn.

". . . this award (Guardian of Small Business) is intended to acknowledge your efforts to protect small, independent businessmen and women and to maintain an economic environment in which they can grow and prosper. It is also based on the outstanding voting record you compiled on small business issues during the 94th Congress."
Wilson S. Johnson, president, National Federation of Independent Business

". . . Price better think twice before he spends more money for a big campaign because as it stands now he's going to be fighting a losing battle if he tosses his hat in the ring . . . Hightower has read his constituency well, and he's doing exactly what his voters want him to do, but he's also spent a session learning the ropes and he's shown he's a better independent thinker . . ."
Carroll Wilson, columnist, Canyon News, Jan. 18, 1976

". . . one of Jack Hightower's primary legislative projects has become the law of the land . . . it was H.R. 8410, an amendment to the Packers and Stockyards Act which Hightower co-sponsored in the House, and he was the author of its principal provision—prompt payment . . ."
Joe Brown, farm editor, Wichita Falls Record-News, Sept. 16, 1976

". . . thank you for your support of the Beef Research and Information Act, and especially for your fine statement on the House floor . . . the people are well aware of your leadership and your untiring efforts to help the cattle industry . . ."
O. J. Barron, chairman, Beef Development Task Force

". . . Of the 75 first-year Democrats, he is something of an anomaly—the most conservative of an outspokenly liberal group, one of the most careful and quiet of a largely shoot-from-the-hip crowd . . . Almost everyone on the Hill knows about Jack Hightower . . . the Congressman who votes his conscience, represents his district by organic instinct, but is capable of rising above parochial considerations when national interests are at stake. If that weren't enough, he lives a Spartan existence in a one-room efficiency apartment, sleeps on a couch that unfolds into a bed, washes his own socks, and drives an old car to work. The same qualities that made him an influential state senator for ten years—scrupulous honesty and an appetite for hard work—have served him well in Washington, but these alone do not explain the high regard in which he's held. In a town over-populated by small people with large egos, it is a relief to find one for whom the reverse is true . . ."
Texas Monthly, May, 1976

That's the kind of Congressman Jack Hightower has been since he took his oath in January 1975. It's why he has earned the respect of his colleagues and the confidence of people throughout this district . . . from both political parties. Jack Hightower, Democrat, has earned a second term. Vote November 2.

Paid for and authorized by Hightower for Congress Committee, Jim Hughes, Treasurer, Box 1973, Vernon, Tx 76384

Eagles' win first step on way to district title

By KEVIN LONG

The Canyon High School football team took an initial step towards representing their district in the playoffs last Friday by defeating Borger 29-14.

"That was a big step," said Coach Deane Wright, adding, "of course I think Perryton has a better ballclub than Borger. I don't think we played as well as we can play against Borger but if we get ourselves ready for Perryton it's going to be a big shootout this Friday."

The Borger game was only interesting at one point in the second half. With 6:05 remaining in the game, and Canyon leading 22-14, the Bulldogs had a fourth and one from their 13 and decided to go for the first down instead of kicking the ball away. Borger quarterback Robin McCarty took the snap and handed to fullback Kurt Smith on a play which hurt the Eagles all night but this time a swarm of Eagles were in the vicinity and threw Borger for a two yard loss.

Three plays after Borger turned the ball over Joe Luquette somersaulted into the end zone from five yards out. Ricky Cooper added the extra point and Canyon had a 29-14 lead with 4:51 left to play.

"We ran a stunt with a lineman into the left side of their line where they had been hurting us and stopped them behind the line of scrimmage," explained Wright. "Of course it was a risky thing for them to go for it at that time but this is a gambling game. I don't know maybe I would have done the same thing."

Other than that Borger did not threaten the Eagles. Football is a team game and the best team won. The Eagle backfield alone did almost identical work statistic wise. Cooper, the quarterback, gained 33 yards in 6 carries. Jonathan Hull had 36 yards in 11 carries and Gary Ward gained 36 yards in 8 carries. The top rusher of the night was Joe Luquette who gained 59 yards in only five carries and scored two touchdowns.

"We were pretty balanced and moved the football pretty consistently. I think our offense won the game for us tonight," said Wright. "Our defense was not up to par tonight. I won't know what the problem is until I study the films but I do know our linebackers weren't getting there. But I think Borger had us well scouted and I think their blocking schemes were pretty effective against our sets."

Borger got on the scoreboard first. Smith, the Bulldogs big fullback, carried the ball the first seven snaps of the game and moved it from the Eagle nine to midfield. Four plays later McCarty hit receiver Dennis Rion with a 26 yard pass down to the 2 yard line and two plays later McCarty ran for the score himself. He then hit Bryan Foster with a pass in the end zone for two points giving Borger an 8-0 lead with 6:18 to play in the first quarter. The drive covered 91 yards in 14 plays.

Canyon came right back after the kickoff. Cooper ran for fifteen yards on the second play of the series, five on the next then hit Randy Langen with a 17 yard pass moving the Eagles to the Borger 26. From there Canyon alternated handoffs between Hull, Ward and Luquette, moving the ball down to the two, where Cooper carried it in. Canyon went for two and Cooper hit end John Prater evening the game up at 8-8 with 2:14 left in the first quarter. The drive went 66 yards in 11 plays.

In the second quarter the Eagles capitalized on a bad

(See EAGLES, Page 5)

Rat-tat-tat

Mark Huber will be featured on the drums at the Junior High band's concert tomorrow night.

Vote is tabled until spring on organized research committee

The controversial organized research committee will be retained at least until spring, WTSU's long range planning committee decided this week.

Dean of the graduate school and director of research Dr. David Wheeler has recommended disbanding the committee, which he says duplicates the functions of the Kilgore executive committee.

But last month the faculty council voted to recommend retaining the ORC as an advisory group. The committee is an important avenue to keep faculty members in touch with research decisions and grants, the faculty council said.

The long range planning committee, headed by Dr. Ray Malzahn, vice president for academic affairs, spent considerable time on the discussion.

Dr. Darrell Munsell, chairman of the faculty committee, defended retention of the ORC to the long range planning panel.

The group voted to table consideration of the ORC until spring, at least, Dr. Malzahn said.

"We'll give it a try and see what the pros and cons are," he said. "And see how it works in actual operation."

In other business, the long range planning committee approved dancing as part of the fine arts school and horticulture as part of the school of agriculture. They also approved a cooperative masters of social work program with the University of Texas at Arlington.

Flu shots on again

Swine flu innoculations will begin again Monday but the outlook for mass vaccinations is still bleak.

Dr. Henry Moritz, director of the Texas Public Health Resources, Region One, said that unless his office got a larger supply of vaccine, there would be no mass clinics.

A public clinic was operated unannounced at the health offices at West Texas State University last week to test procedures for conducting large clinics, Moritz said. The public clinic there would not be opened again, he said.

Vaccine will be distributed to private physicians in the Panhandle.

Vaccinations were halted in Texas and in several other states Tuesday while health officials investigated the deaths of three elderly patients in Pittsburg vaccinated for swine flu. The deaths were determined to have been caused by heart attacks that bore no relation to the vaccine.

However, Dr. Philip W. Mallory, deputy director of Health Resources, advised care be taken to avoid long lines and stress for older patients.

Canyon residents can receive the vaccine at Neblett Clinic or from their doctor.

Canyon kids chosen for study

Gene Howe is one of 326 test schools throughout the country selected for a nationwide study of remedial education.

The elementary school in the northern part of the district was the only school in the Canyon district selected, as one of the requirements for the program was a student enrollment of less than 650 children.

The study, financed by the U.S. Office of Education and conducted by Systems Development Corporation of California, will evaluate the effectiveness of remedial training in math and reading.

Both Canyon elementary schools use federal grants to fund their compensatory education programs.

Gene Howe youngsters in the first through the sixth grades have been given achievement tests in reading and mathematics, a test of practical achievement and a measure of their attitudes toward reading and math.

The test was administered nationwide on the same day and time.

Data has also been collected on the amount and kind of compensatory instruction given to the students, and instructional practices of school personnel.

Another battery of tests will be given this spring to monitor progress.

The study will be conducted for three successive years so that longitudinal progress can be determined.

Vondean McGregor, coordinator of the program, attended a week of training in Dallas this summer.

Both Mrs. McGregor and Gene Howe principal Luther Lawless

(See STUDY, Page 5)

Queen for a night

Football queen Jill Burton is surrounded by her admirers Ken Welch, Len Schmidt, Terry Houk and Steve Schmidt after being crowned at the Eagles-Palo Duro game. Jill is the daughter of Mr. and Mrs. Robert C. Burton.

City clubs rally support for park

Community support for park expansion is growing, city administrative assistant Kevin Evans said Friday, but more endorsements are needed.

The city is seeking endorsements from Canyon clubs and organizations to include in an application for $60,000 in federal and state funds over the next two years.

The city proposes to match the grant money in a phased program that will cost more than $360,000 during the next six years to develop a comprehensive park in the southeast section of town.

Planned for development during the first two-year phase are three ball diamonds, a combination practice baseball field and football field, concession and restroom facilities, a playground and a road to the diamonds.

Two diamonds are already under construction and will be ready next summer.

The second phase will include extending the road around a small lake, tennis courts, volleyball and handball courts and a picnic pavilion.

The third phase will complete the road loop around the park and add bike trails beside the lagoon.

Last spring, the city parks and recreation board established accounts for residents and clubs to contribute to the park fund.

The response has been disappointing.

The application for state and federal funding must be completed and submitted within the next few weeks. Grants, if approved, will be awarded next spring.

New grain is researched

Some of the answers for feeding an increasing world population are being found now in a five acre plot west of Canyon.

New strains of triticale, a grain cross between wheat and rye, are being tested and developed in a nursery on the Bernard Hartman farm.

Dr. B. Charles Jenkins, a geneticist who has worked with triticale since 1953 and Ron Kershen, who is now marketing the grain commercially, are conducting the studies.

They will plant 12,000 different plots into 10-foot rows.

Their aim is to produce higher yields with better nutrition.

The grain is now used mostly for forage, but the ultimate purpose, Kershen said, is its use for food.

"Many people saw it as a genetic curiosity, but I saw its practical use a number of years ago," Jenkins said.

Jenkins, who heads his own research foundation, began work on the grain while doing research as part of the Department of Plant Science at the University

(See GRAIN, Page 5)

Dr. Charles Jenkins and Ron Kershen are conducting research on the man-made grain triticale on a five-acre nursery located on the Bernard Hartman farm west of Canyon.

Spook night a day early

Spooks and goblins will need to forget their calendars because the date for Halloween will be changed this year.

City commissioners Monday will approve a proclamation for Halloween activities to be held on Oct. 30, a Saturday, rather than on the traditional date Oct. 31, which would be a Sunday.

After they get the proclamation out of the way, there is little other business on the agenda.

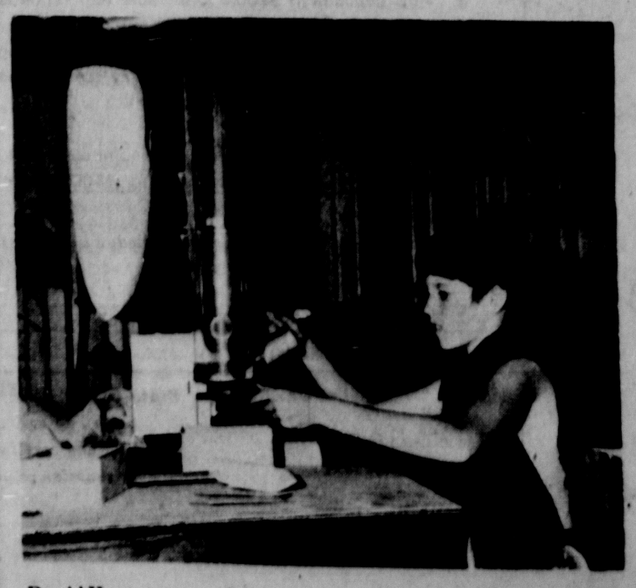

Road contractor J. Lee Milligan will show a film describing advances in new paving materials and the commission will sign the agreement to purchase a new ambulance.

The payment by the city, county and hospital district for the ambulance will be slightly higher than agreed upon to equip the vehicle with radios.

Because equipment can only be purchased by governmental entities through the federal funding program, the city, county and hospital will buy the radio and will be reimbursed by Metropolitan Ambulance Service.

The cost to each entity will be $2,098.82, of which $274.66 will be returned.

(See SPOOK, Page 5)

David Hartman carefully threshes triticale kernels to be used in research with the grain this winter.

Buffalo Lake bill to get another look

A few Randall County residents want their commissioners to reconsider giving support for a proposed bill that would put $1.8 million into Buffalo Lake.

The commissioners tabled the resolution supporting President Ford's proposed Bicentennial Land Heritage Act at the last two meetings.

Two weeks ago, commissioner John Fulgenzi objected to the bill as a federal pork barrel. Cities and counties all over the nation should use similar restraint in supporting and accepting federal programs, Fulgenzi said.

The money would be used at Buffalo Lake to staff the wildlife refuge and to get a water supply for the lake that would provide a winter home for the migratory birds at the south end and fishing areas at the north end.

Although Fulgenzi criticized the bill, no one made a motion to kill it and they tabled the resolution.

Last Monday, the resolution was again on the agenda but administrative assistant Carroll Wilson said "I misunderstood you when you tabled it, I thought

(See LAKE, Page 5)

Band concert Monday

The three bands at Canyon Junior High will present their first concert of the year Monday night at 7:30 in the CJHS auditorium.

The program will include popular songs, Broadway tunes, marches and a little of everything.

The junior high bands are under the direction of Rick Hittinger, who will be assisted by music director J. W. King.

The 93-member Symphonic Band will be directed in one number by student teacher Paula Williams.

The White Concert Band, includes 68 members and the Purple Concert Band has 112

Boosters meet Tuesday

Under the direction of Phil Langen, Canyon has formed an Eagle Booster Club which meets every Tuesday at 7:30 p.m. at the First National Bank Building.

"We would like to encourage all supporters of Canyon High School athletics to come and be part of the booster club organization," said Langen.

"The booster club is not limited to parents of varsity players but is for all people who would like to help in various ways to make our athletic program a more vital and alive group.

"We especially encourage parents of younger groups to come and be a part of projects which will directly benefit their

FROM THE CANYON RIM

by Troy Martin

Thomas Hazard Thompson spent a couple of hours in my office Friday and the hours went like minutes.

Tommy is the Tommy Thompson of The Amarillo Globe-Times Turnstile fame who kept the Panhandle stirred up for years and won the coveted Pulitzer prize for his newspaper's exposes.

I worked with Tommy when I labored in the vineyard at The Globe News under Gene Howe in the late 1940s and early 50s. Tommy was business editor, a likeable guy whom I never would have picked to be the salty journalist he turned out to be.

Tommy is writing a book about his experiences in the newspaer business and about the important Panhandle and Amarillo people we both know. I can't wait to get my hands on it.

There were very few people neutral about Tommy.

He tells a story about visiting in the office of an old gentelman he had known for years right after beginning "Turnstile."

The old man came around his desk and laid a kindly hand on Tommy's shoulder.

"Tommy," he said, "I like what you write in that paper but that fellow that writes that new column called 'Turnstile' is crazy."

Tom still gets a belly laugh out of that one.

Tom is a journalist whose quest for truth is unquenchable.

On the front of Mr. Howe's Globe-News building at Ninth and Harrison is the inscription:

"A newspaper may be forgiven for lack of wisdom but never for lack of courage."

More than any newspaperman I know Thomas Hazard Thompson lives up to that legend.

It takes guts to write a column that rips the hide off people the writer has to meet every day. It takes dedication and accuracy not to get sued for it.

Tommy Thompson is a good writer and a good reporter but best of all he has guts.

* * *

The talk of high unemployment continues but I really don't think it is as acute as the statistics indicate.

There are jobs begging for skilled people. Most of the folks who are out of work in this area at least are people who have few if any skills.

I know of few automotive houses who could not use a good mechanic.

Read the want ads in the big daily papers. Thousands of jobs are going begging.

Also, I understand that college students who work in the summer are added to the unemployed statistics when they quit and return to school.

I'd like to see the statistics on jobs available which cannot be filled. I'd like to see the statistics on skilled laborers who are unable to find employment.

I'll bet it would be an eye opener.

* * *

The Canyon Eagles have a good shot at district if they can get by Perryton Friday. But the Rangers ran up an awesome 29-0 score over the usually potent Dumas Demons in their district opener Friday.

The Rangers will be tough and I know that Coach Deane Wright and every boy who wears the Eagle livery is awazre of this.

Good luck Eagles!

Our world

Truth is not a new idea

By ANN BROWN

Truth is currently getting a lot of publicity. One would almost think it is a new discovery.

One of the most amazing contradictions of our civilization is the lofty reference for truth which civilized people profess, and the complete disregard for it which they constantly practice.

Who has not seen a witness in court swear to tell the truth, then take the stand and tell lies that everyone in the court — including the judge — knew were lies? How often is anything done about it?

Politicians stand up and make promises every listener knows are impossible to keep — and they cheer him.

However charitable we may be toward lies and equivocations, the truth is what we have to live with.

Any time a new scheme is proposed for the public welfare, a good question to ask is: "Will this give any government agency any more power over the people?"

If the answer is "yes," the scheme is detrimental and deserves vigorous opposition.

Our country must have leadership. But before we follow any would-be leader, we need to find out if he knows where he is going, and be sure he is headed in the right direction.

Americans failure to seek truth is not caused by lack of intelligence or information, but lack of courage. It is so much easier to accept the obvious than search for the obscure.

Few people study to discover truth anyway; the majority of us prefer to confirm our erroneous thinking and perpetuate our prejudices.

No man seeking truth needs to avoid honest differences of opinion with his fellows. We may enjoy talking with those who agree with us, but we learn more from the ones who disagree.

Only when a cherished conviction has been challenged are we likely to be driven to a sincere search for truth.

The next time a politician promises happiness and prosperity when an all-powerful government takes care of you, ask him what it has done for the American Indian.

Several powerful senators are still fighting for gun control. But the truth is the danger to people when they cannot own guns is much greater than any danger gun ownership can ever create.

In Russia and Red China — where the government controls all guns — some 95 million people have been brutally slaughtered in the last 50 years.

Any time a government gets the power to protect the people from themselves, the people lose the power to protect themselves from the government.

When a political candidate decries big government in one breath, and promises bigger government in the next, his audience would do well to look elsewhere for truth.

It is as great an error, however, to trust no man as it is to trust all men. The majority of Americans are still hard-working, law-abiding, well-meaning people who want the best for our country.

And we still have honest statesmen who want to serve instead of being served. If we are too busy to search them out — we deserve the scheming politicians we are sure to get.

Wilson returns

He's back.

Carroll Wilson, who left The News in August to serve as Randall County's first administrative assistant, is back at The News now as associate publisher.

He resigned from the county position two weeks ago, effective Oct. 15.

Wilson will share ownership with Canyon News publisher Troy Martin and will have expanded responsibility in the business and production of the newspaper, as well as in the editorial department.

Wilson was editor of the paper from 1968 until his resignation ten weeks ago.

Letter

Columnist called bigot

Dear Troy,

I try to read every editorial in The Sunday Canyon News, including Ann Brown, even though it is quite evident that she was born 100 years too late. . . . .

She evidently has her little corner of heaven reserved; and is imbued with Divine insight that makes her an infallible expert on every question, on any subject she wishes to offer for the readers edification.

When Miss Brown wrote that men give love to get sex and women give sex to get love, that was sheer idiocy.

Evidently Miss Brown looks at marriage as an adversary situation where two people bargain with each other both in bed and out of bed.

There certainly are people who live this way, but there are numerous husbands and wives who have a mutuality of love and respect that precludes any exploitation of one by the other.

These couples also share equality.

Last week Miss Brown castigates women who have the audacity to say that they are equal with men; and who want it to become the law of the land.

This is the most perfect example of a self-satisfied, self-righteous bigot that I have ever witnessed.

Miss Brown is a self-styled oracle who thinks every word that flows from her pen is straight from God.

In her quest to have women obey men, she would in all likelihood, push for slavery, so that men could have more women to "obey" them.

Miss Brown's writing reveals a dislike and distrust of her own sex. She also forgets that the Bible she quotes and misquotes so often was written by men for men; and that at least one writer, Paul, had a lifelong dislike for women.

Miss Brown's judgement of an unfortunate woman who lived a tragic life, and the assumption that any woman who seeks equal treatment is the same kind of "obstinate old woman" shows narrow-minded ignorance and a lack of charity for woman in general and one poor soul in particular. . . . .

Personal happiness is made up of many factors. Belief in God can be a source of happiness, but it certainly is not a requirement for happiness. Untold millions of people make their own rules and find and give happiness outside the narrow confines set down by Miss Brown in the name of her God.

I look forward to the day when all women are perceived to be equal to men by men and other women. On that day women can compete intellectually, in the market place, and anywhere else they wish to, without giving or receiving quarter simply because they are born women.

This will not diminish their femininity. Neither will it lessen a woman's pride in her womanhood. It will strengthen it.

I don't really think you will print this letter, because it criticizes a surviving and published relic.

Thank you for at least reading my thoughts.

Cordially,
Vivian Kay D. Madewell

Things to do

OCT. 17

Concert: University Chorale and Chorus, 3 p.m., Branding Iron Theatre.

OCT. 18

Senior Recital: Scottie Jackson, Linda Harman, 4 p.m., Branding Iron Theatre.

Concert: University Orchestra, 8 p.m., Brandint Iron Theatre.

OCT. 19

Canyon's churchlife

"Religious Trends In America: 1976" will be the theme for Dr. Harvey Cox, professor at Harvard Divinity School, as he addresses United Campus Ministries members from West Texas State University on Thursday evening.

He will speak at 8 p.m. in the West Texas State University Activities Center ballroom, and the public is invited.

Dr. Cox will speak earlier that evening at a 5 p.m. dinner in the parish hall of St. Ann's Roman Catholic Church to address area clergy and university faculty members and administrators. Reservations will be needed for the dinner.

* * *

"Flame In The Wind," a two hour feature film about the Spanish Inquisition, will be shown this evening at Grace Baptist Church, 2008 12th Avenue. The program will begin at 6 p.m. and local residents are invited for the presentation by the pastor, Rev. Richard Korsmo.

* * *

University Church of Christ is making plans for a fall gospel meeting to be held Oct. 21-24. Evangelist for the services will be Doug Kostowski, a native of Flint, Michigan.

* * *

"Study of World Hunger" will be the topic of discussion for the United Campus Ministry students this evening at the Episcopal Student Center. The program will follow a 50 cent dinner for university students participating.

* * *

First United Methodist Church will begin a confirmation class for seventh through ninth grade students on Oct. 31. The class, to be taught by the pastor, Rev. Bill Kent, will extend through Nov. 28. Students desirous of joining the local church will be received by the church in rites Dec. 5.

* * *

A drama group is to be formed this evening at the Canyon Christian Youth meeting in fellowship hall of the First Christian Church. The meeting begins at 5:30 p.m. and is open to all junior and senior high students interested in participating. A light snack supper will precede the planning session.

* * *

Greenery for the holidays is available again this year through the United Methodist Youth Fellowship groups and orders must be placed before Oct. 31. Proceeds from the sale will go toward youth activities. The youth will be selling: berried English Holly, an Evergreen Home Decorator Kit, an Alpine Christmas Wreath and a 7 ft. Western Cedar Garland. Delivery will precede the holiday season.

* * *

Helping Hand group of the First Christian Church will gather Tuesday, Oct. 19, for an 11:30 a.m. luncheon in fellowship hall of the church. The group plans to finish painting the kitchen in fellowship hall and work on other service projects following the salad luncheon.

* * *

An after-worship luncheon for the Pathfinder's Sunday School Class is planned for 12:15 today in the fellowship hall of First United Methodist Church of Canyon.

Thursday, Oct. 21, the Family Center of First Baptist Church will be the site for a local meeting of the Church Library Association. The workshop will be led by Beth Pratt of Floydada, who has led library conferences for several years at Glorieta.

The workshop is open to anyone interested in public relations and library roles and will begin at 9:30 a.m. with a salad luncheon to follow.

* * *

"A Life Worth Keeping Pure" based on the seventh of the Ten Commandments "thou shalt not commit adultery" will be the morning worship topic today at First Baptist Church of Canyon.

The evening worship will be based on Luke 15 and is titled "You Can Come Back."

* * *

"Women's Role in the Church" will be the subject of a special devotional Monday evening at 6:15 p.m. at the Church of Christ Bible Chair on the campus of West Texas State University.

* * *

Tuesday evening the first of several Cottage Prayer Meetings will be held by the First Baptist Church in preparation for the fall revival scheduled Nov. 7-10. Several local homes will be the site for Cottage Prayer Meetings which are scheduled on Tuesday evenings, October 19, October 26, and November 2.

* * *

First Presbyterian Church of Canyon was host Saturday to a church officer training session involving church elders deacons and church nominating committee members from the area. Involved in the workshop were representatives from four Amarillo Presbyterian Churches along with members of the host church.

Dr. James McCord, president of Princeton Theological Seminary in New Jersey, was guest speaker for the special evening worship services.

* * *

Wayside Community Church is playing host to a homecoming of area residents and friends of that community today. Following the Sunday School hour at 10 and worship at 11, a basket lunch will be served in the church basement for all interested persons with a homecoming program during the afternoon.

Welcome

The new pastor of Southside Baptist Church and his family are the Rev. Stanley May, Tim, Arlyne May and Brian.

New pastor arrives for Southside

Southside Baptist Church at 2009 10th Avenue in Canyon announces the recent arrival of Stanley May as the new church pastor.

A native of Sulphur Springs, Texas, Rev. May formerly held pastorates at the First Baptist Church of McAdoo, Jefferson Drive Baptist Church of Liberty, Texas and the North Liberty Baptist Church of Sulphur Springs. He studied at Texas Technological University last year and plans to enroll at West Texas State University this spring.

Rev. May's wife, Arlyne, has taken an accountant's position with Taylor and Sons Food in Canyon. The Mays have two sons, Tim, a fifth grade student, and Brian, a second grade student.

Fall gospel meeting starts here Thursday

Fall Gospel Meeting for University Church of Christ in Canyon begins Thursday evening, Oct. 21, and will continue through Saturday, Oct. 24, with Doug Kostowski of Hawthorne, California as evangelist.

A native of Flint, Michigan, Kostowski was educated at Freed-Hardeman College in Henderson, Tennessee and Harding College at Searcy, Arkansas.

He is a frequent speaker on college campuses across America and has written for various church publications. He preached for churches in Arkansas and Michigan before going to California where he was with the Inglewood Church of Christ in Los Angeles before becoming associated with the Palos Verde Peninsula Church, where he presently serves.

"Power to Master Life" will be the theme of the revival study in Canyon which begins with an early service at 6:15 p.m. in the Bible Chair Student Center on Thursday. Worship services at University Church of Christ, 3400 Conner Drive, will begin at 7 p.m. that evening.

Friday evening worship will begin at 6:30 p.m. at the city church allowing early dismissal for the district football game between the Eagles and Perryton at Kimbrough Memorial Stadium.

Revival services will be held at 7 p.m. Saturday evening and the Sunday schedule for Oct. 24 will include Bible Classes at 9:30 a.m., worship at 10:25, and the evening service at 6 p.m. Local residents are invited to attend the revival services by the local pastor, Bob Crass.

Election set

Election for 1977 officers to head the Randall County Junior Livestock Association will be held Oct. 21 at 7:30 in the vocational agriculture meeting room at Canyon High.

Early planning will begin that night for the 1977 Junior Livestock show.

Champs are picked

A flag football team that never got a name won the Canyon flag football championship with a record of three wins and two ties.

"They would all have wanted to be the Cowboys," said coach Frank Landram, "So we just didn't name the teams."

There were six teams in the Canyon league sponsored by Kids, Inc. for youngsters in the first, second and third grades.

Top team

Champs of the flag football league: Robert Pond, Travis Tucek, Chris Barrett, Dennis Elders, Susie Schickedanz, Todd Bigham, Cole Altman; (second row) Deric Brazeal, Jeff Williams, Dennis Rice, David Elders, Steve Carey, Thor Swanson, Lance Landram; (third row) Richie Williams, Justin McClure, Scottie Blevins; (coaches) Ron Elders and Frank Landram.

Rotary Gov visiting local club here

Canyon Rotary Club will host a visit Monday evening, Oct. 18, with the Rotary District Governor John Tyler of Midland making his official visit here.

The Club Assembly meeting will be held Monday evening and the Rotary District Governor will also be the guest speaker for the regular Rotary Club meeting Tuesday noon at Canyon Community Center.

Tyler will be discussing the program of the coming year for the 45 clubs of the 573rd District of Rotary International, which covers the majority of Northwest Texas.

A native of Southern California, Tyler received a B. S. degree in Petroleum Engineering from the University of Oklahoma in 1957 and moved to Midland in 1967 where he is the District Production Superintendent for Union Oil Company of California.

An active Rotarian since early 1966, Tyler is a past president of the Midland Downtown Rotary Club. He and his wife, Dede, recently returned from the Rotary International Assembly in Boca Raton, Florida and the International Rotary Convention held at New Orleans.

In addition to civic and industrial work, Tyler is a past president of the City of Midland Swim Team and was organizational chairman of the Texas Swimming Association. He is a member of the Southwest Football and Basketball Officials Association, active in Midland Community Theatre, and chairs a national committee of the American Petroleum Institute.

Johnson leaving WT for Austin

Karen Johnson, who has been the legal advisor for West Texas State University for almost three years, will take a job next month as a staff attorney for the Texas Education Agency in Austin.

While at WTSU, she was named one of the Outstanding Women of America.

Johnson will begin work in Austin on Nov. 1.

Politics for lunch

"Pot Luck and Politics" will be the theme for Wednesday's Brown Bag Seminar, sponsored by Women Involved in New Goals (WINGS) at West Texas State University.

Taking the positions of the two major presidential candidates (Republican and Democrat) in the current political campaign, Fred Marsh and David Matthis, WTSU political science instructors, will present a talk involving such issues as inflation, unemployment, economics, abortion, women's rights and busing.

"There will be no evaluation as such, just a presentation," said Marsh, assistant professor of political science.

Scheduled for noon Oct. 20 from 12 to 1 p.m., the luncheon seminar will be held in the faculty lounge of the Student Union Building (SUB).

Grain. . .

(Continued from Page 1)

of Manitoba in Winnipeg.

In 1966, he left the university to devote his full time to triticale development.

Triticale is a superior grain, Kershen said. The seed bearing head is much larger than wheat and may bear a hundred or more kernels.

Research has shown that triticale will support three head of cattle compared to a wheat grazing plot that will support one. The protein content is higher than other grains also, said Jenkins.

Although Jenkins and Kershen have studied the grain for years, there are many more years ahead of them.

"The answers we are getting right now from those 12,000 packets of seed will be applied for the next ten years before all the answers are known," Kershen said.

Each harvested head of triticale must be put through a thresher by hand, to be packaged separately. They must be marked and coded for later planting.

Although triticale is a hybrid, embryo culture techniques have given the grain the ability to reproduce. Triticale is the first man-made grain, Jenkins pointed out.

Besides the nursery here, Jenkins has other research facilities in California and Missouri.

Spook. . .

(Continued from Page 1)

The ambulance is being purchased through a federal funding program that pays half of the cost. The county's ambulance contractor, Metropolitan, has agreed to equip the vehicle.

The only other business on tap for the commissioners is consideration of a request to pave part of an alley.

The commissioners will meet Monday night at 7 in commissioners chambers in the city complex.

Concert. . .

(Continued from Page 1)

members.

Guy Bailey on the electric base and Mark Huber on the trap set will be featured with the Symphonic Band.

The annual fall meeting of Band Parents will follow the concert. Parents of band members in elementary, junior high or high school are invited, Hittinger said.

Boosters. . .

(Continued from Page 1)

children.

"Our current Booster Club project is the purchase of a new camera for filming of athletic events.

"We would like to take this opportunity to thank the merchants who have purchased posters supporting Canyon athletics.

"Our Booster Club is concerned about projecting our club beyond the football program and helping to support basketball and baseball and other spring sports."

Langen reminds all those who plan on attending the meeting this Tuesday to come through the south door of the bank.

Lake. . .

(Continued from Page 1)

you meant to bring it up again this week. I didn't know you didn't want to consider it again at all."

The resolution was quickly tabled again.

Several days after that vote, friends of wildlife called county judge Woody Pond to protest.

"I got two or three calls," he said. "Not a whole bunch. They were concerned about it, about water conservation and wildlife.

"Most of them are duck and goose hunters."

So the item will be back on the county agenda Monday.

Also on the agenda will be consideration of hiring a new administrative assistant to replace Wilson, who resigned to return to The Canyon News.

There will be several items left over from past meetings. These include a discussion of proposed legislation on the probation commission, private sewage facilities regulation, a new county purchasing policy, and a tax information contract with Amarillo.

New items will include hiring a secretary for the juvenile probation office, discussing fire call accountability, searching for grant funds to buy road right-of-way, a resolution on the state retirement system, and calling for an election order.

The commissioners meet Monday at 1 p.m. in the Randall County courthouse.

Eagles. . .

(Continued from Page 1)

Borger punt which traveled only 20 yards and gave Canyon the ball at the Bulldog 49. The Eagles then went 49 yards on 9 plays with Joe Luquette scoring his first of two touchdowns on a four yard run. Hull was instrumental in the drive gaining 18 yards in three carries, Cooper kicked the extra point to give Canyon a 15-8 halftime lead.

The Eagles scored on their first possession of the second half moving 73 yards on 8 plays with David McKay scoring from the five. The big play in the drive was a 38 yard run by Luquette. With Cooper's extra point the Eagles had a 22-8 lead with 9:07 left in the third period.

On their second possession of the second half Borger put together a tedious but effective drive, going 72 yards in 17 plays to come back within eight, 22-14. Smith scored on a two yard run. The drive was aided by a Canyon penalty and an 18 yard pass completion.

The Bulldogs could get no closer though, losing a gamble on their next series which virtually gave Canyon the game.

The Eagles gained 11 first downs in the game and 245 yards rushing and 38 passing for a 283 yard total.

Borger gained 13 first downs on the evening with 137 yards on the ground and 84 yards in the air for a 221 yard total.

Canyon will meet Perryton in their biggest game of the season at 7:30 this Friday at Kimbrough Stadium.

Study. . .

(Continued from Page 1)

stressed the confidentiality of students participating in the study.

Test results will be coded by number and the names of the students will be held at the school.

"Under this system, the school has the names of the participants, while the research organization has the student identification number with no names. Thus, the research organization cannot report on individual participants by name," Lawless said.

Mrs. McGregor pointed out that since millions of dollars of taxpayers' money is spent each year in remedial education programs, this study could save tax money by determining what programs work and what programs don't.

Canyon schools are considered to have one of the top remedial reading programs in the state.

Football

10-17 issue inside
Jr. High 1-18 goth 2

Junior High football teams this week will play:

Tuesday —
7th grade purple at LaPlata at 4 p.m.
7th grade white at Coronado at 5:30 p.m.

Thursday —
8th grade purple at LaPlata at 5:30 p.m.
8th grade white at Coronado at 4 p.m.
9th grade purple vs. LaPlata here at 4 p.m.
9th grade white vs. Bushland at 4 p.m.

Frosh team wins

Led by Bruce Byrd's 111 yards, the Canyon purple 9th grade team defeated Hereford Stanton Junior High last Thursday.

"I think that just now we are coming into our own and can play football with anyone on the ninth grade level," said Coach Gary Conner. "We are playing very well as a team."

Conner mentioned the blocking and running of Blaine White and the up front blocking of Kyle Paris, Kent Johnson and Ron Allen as instrumental in the victory.

"We gained most of our yardage right up the middle with the trap and counter," said Conner.

Conner mentioned Kip Pruitt, Louis Byers, Jeff McKay, Bill Grulkey, Byrd and White as the leaders of the defense.

The purple team, which is 2-0 in district play and has two more games to go, will next face Hereford LaPlata at 4:00 p.m. this Thursday at home.

CJHS choirs concert set

A fall choir concert has been set for Oct. 26 by Canyon Junior High School Choirs under the direction of Steve Hilton.

The choral program will feature selections from the Broadway musical "Fiddler on the Roof," various spiritual selections, a medley of hits from the 60's, and original girl's choir selections.

Choirs performing will be the seventh and eighth grade boys and girls choirs as well as the ninth grade mixed choir.

Admission will be $1 for adults and 50 cents for students and children with tickets available from all choir students or at the door.

Proceeds from ticket sales will go toward the purchase of new choir robes, which was recently approved by the school board.

Blue ribbons

Water Buffs winners are: (bottom row) Davalyn Webb, Beth Sawvell, Walter Labrie, Brian Oliver, David Head, Russell Mitchell; (second row) Tim Shelly, Nicky Coleman, Chuck Head, Anne Sawvell, Debbie Head; (third row) Howard Schram, Peter Shelly, LaDona Harvey, Gwynne Schram, Steve Haney; (top) Gwynne Labrie and Melissa Shelly.

Water Buffs win

Water buffs earned wins in "B" and "C" category competition recently in a swim meet sponsored by the Maverick Boys Club.

Peter Shelly, competing in the 13-14 age group, placed fourth in the 450-yard free style and fifth in the 200-yard free style.

Debbie Head placed sixth in the 100-yard breast stroke.

In the 11-12 year old division, Anne Sawvell was third in the 100-yard breast stroke, the 100-yard back stroke and the 50-yard free style. She was fourth in the free individual medley, the 100 free and the 200 free.

Nicky Coleman was third in the 100 breast and fourth in the 100 back.

In 10 and under, David Head was first in the 50 free, second in the 200 individual medley and the 50 breast, third in the 100 free and the 50 back stroke.

Beth Sawvell was sixth in the 50 back stroke and Walter Labrie was fifth in the 50 back stroke.

Placing with "B" times were Anne Sawvell, Peter Shelly, Debbie Head, Nicky Coleman, Chuck Head, Beth Sawvell and Russell Mitchell.

In "B" events, Debbie Head was second in the 100 butterfly, 100 free, 200 free and 200 individual medley.

Gwen Shram won the 100 back and 50 free and placed second in the 100 breast. She was third in the 200 individual medley, the 100 free, 200 free and fifth in the 100 fly.

Chuck Head was first in the 100 back and 100 free and second in the 50 free. He was fifth in the 200 individual medley.

Tim Shelly was second in the 100 back and fourth in the 50 free.

Doug Morris was fifth in the 100 back and Howard Shram was fifth in the 100 free.

In 9 years and under, Beth Sawvell placed second in the 50 fly while Russell Mitchell won the 50 breast stroke and was fourth in the 50 butterfly.

David Head won the 50 fly.

Bryan Oliver was sixth in the 50 back and the 50 free.

Walter Labrie was fourth in the 50 free and LaDona Harvey was sixth in the 100 free.

JVs score 35-0 victory

Jeff Wisebart rushed for 110 yards and scored one touchdown to lead the Canyon High School junior varsity to a 35-0 victory over the Lazbuddie varsity last Thursday.

"Our kids did a real good job and they are maturing not only as athletes but as young men," said Coach Bob Schneider. "We were very pleased, our kids took it to them pretty good."

The Eagles scored a touchdown in the first three quarters and two in the fourth. Wisebart scored the initial score on a 40 yard run. In the second quarter Keith Melton caught a 2 yard touchdown pass from Stan Mayfield for the second Eagle score. Tracy Bird scored in the third quarter on a one yard run and the Eagles scored twice in the fourth quarter on a 40 yard run by Jimmy Johnson and a 60 yard punt return by Eddie Clement. Clement kicked all extra points.

Mike Moore was the leading rusher for the Eagles with 126 yards. Overall the team gained 398 yards.

Airman off to Wyoming

Airman Paul A. Buckles has recently been assigned to Francis E. Warren Air Force Base in Wyoming for duty with a unit of the Strategic Air Command.

Buckles, trained in security and law enforcement, graduated from the Lackland AFB, Tex. U. S. Air Force technical training course for security police specialists.

Completion of the course enables the airman to receive academic credits through the Community College of the Air Force.

Buckles, the son of Mr. and Mrs. Merril W. Buckles of Canyon, is a 1975 graduate of Canyon High.

Guitar concert

Richie Lecea, singer/guitarist, will present a "mini-concert" Wednesday, Oct. 20, in the Activities Center Ballroom at 8 p.m.

Sponsored by the Student Activities Council, the Lecea concert will be $1 for students and $2 for area residents.

Lecea, who has published an album entitled "Magic," has played the warm-up for Jose Feliciano and Barry Manilow.

Clothing room open

The clothing room at the University Church of Christ, 3400 Conner Drive, will be open to the public Thursday from 1-4 p.m.

Anyone in need of clothing is invited to come to the west entrance. Children's clothes may have to be limited because of the demand.

Collegiate choir to sing

The West Texas State University choral director Dr. Hugh Sanders and his Collegiate Choir and University Chorale will stage their seasonal concert Sunday afternoon at three, in the Branding Iron Theatre, located in the Fine Arts Building.

The Collegiate Choir will open the program with "Shout and Clap Praise to God" by Kenneth Staton, "Canticle of Praise" by John Ness Beck, and "Cantata 150" by J. S. Bach. The Cantata is divided into halves; "Leite mich in deiner Wahrheit" (Establish me upon the rock of trust), and "Leit eine Augen sehen stets zu dem Herrn" (And mine eyes shall look to Him).

Also included in the choirs' selections are "Talk Not To Me" by Milan Kaderavek, and an arrangement of Churck Casseys' "Feelings."

Accompanist for the Choir is Steve Woodson from Hobbs.

Performing next will be the Chorale. Their music for the concert includes "Sing We Merrily Unto God Our Strength" by Martin Shaw, "Alles, was Odem Hat, Lobe den Herren" (All that hath life and breath, praise ye the Lord), by J. S. Bach, and "What Is A Heart" by Dede Duson.

Organizer of nursing school chosen by academy

A West Texas State University graduate who was instrumental in developing a nursing school here has been admitted as a Fellow in the American Academy of Nursing.

Eunice King of Amarillo, who completed a masters degree in education at WTSU in 1973, is one of the 129 currently practicing registered nurses chosen for membership from among the one million registered nurses now in service.

Mrs. King was recognized for her outstanding contributions in developing nursing education from the licensed vocational nurse level through the graduate level in the Panhandle region.

She has served on the Nursing Project Review Committee of the Department of Health, Education and Welfare, and on two committees of the state college and university system Coordinating Board. She has also been appointed to two six-year terms on the Board of Nurse Examiners.

Mrs. King played a primary role in the development of the baccalaureate program of nursing at WTSU. Starting in the early Fifties and continuing through the Sixties, she headed many local committees organized to obtain nursing education in the region.

This goal was realized in 1970, when the Coordinating Board approved the program.

During the first four years, Mrs. King provided the leadership in organizing and implementing the program at West Texas. This was done without pay and in addition to serving as administrator of special patient services and education for the Amarillo Hospital District.

She has also developed a ten-lesson television series used throughout nursing schools and has co-authored a basic textbook on nursing techniques to be published this coming spring.

Fall board meet for clubwomen

Fall board meeting for the Top of Texas District, Texas Federation of Women's Clubs, will be held Tuesday, Oct. 19, in Canadian, Texas.

Canyon has six federated clubs including the University Study Club, Woman's Book Club, Sue Hite Club, Heritage Woman's Club, Canyon Study Club and the Les Amies Juniorettes.

Several representatives from the local clubs are expecting to attend the fall board session.

The Baha'i Faith enjoins upon its followers the primary duty of an unfettered search after truth.

Baha'i Faith

For information: Thurs. 7:30 p.m. WTSU AC Rm. 212 or call 655-7949.

Senior Citizen Activites

A full slate of activities are scheduled this week for Canyon Senior Citizens Association including:

Monday — yoga exercise class from 6-7 p.m.

Monday through Friday — Macrame classes 9:30 a.m. to 12 noon with Delpha Downing as instructor.

Tuesday — Discussion group meeting 10 a.m. until 11 a.m. with guest speaker, Dr. Albracht, to show a public service film.

Wednesday — Game time from 1-5 p.m., chairman, Harley Burrus. Open to all.

Thursday — Oil painting class, 2-4 p.m., with Glenna Wilson as instructor.

Thursday — Weekly pot luck supper, 7 p.m., games and fellowship following.

Friday — Oil painting class 9:30 a.m. until 12 noon with Lillie Hundley, instructor.

All residents aged 55 and above are invited to join Canyon Senior Citizens Association and may inquire of membership by contacting the office, 655-3331.

HD Club memberships among nation's largest

Home demonstration clubs have the largest membership of any other women's club in the world, Mrs. Becky Hall, county extension agent says.

What do these women have in common that interests young and old, rural and urban, and highly educated to average educational level women all over the world?

The agent pointed out that the Homemaker Creed gives an insight. "We believe in the present and its opportunities, in the future and its promises . . . improving, enlarging and endearing the greatest institution in the world — the Home."

Over 29,000 women belong to the Texas Home Demonstration Clubs and EHE Study Groups. They are interested in their home, their family, their community and their country — also in self-growth. Each home demonstration club meeting offers its members an opportunity to receive an educational program that is planned around the family, home, community or county need request, she said.

Education is an important part of the organization, but there are many other opportunities offered besides education and the immeasurable social aspect. It is also hard to measure self-growth. Leadership growth and self-confidence often happen without realizing when or where it was happening.

Because of the desire to satisfy the needs and interests of all members, home demonstration clubs and family living committees in each county sponsor many varied programs, where all women have an opportunity to enjoy and improve themselves, she said.

Home Demonstration Clubs and EHE Study Groups have open membership. Anyone interested in joining an active club or organizing a new club of eight to ten persons should contact the county extension agent who will see that individual interests are considered, Mrs. Hall said.

Historic sites for HWC Monday

"Canyon Country" will be the title of a visual aids program to be given by Johnnie Gordon for the Monday evening meeting of Heritage Woman's Club.

The meeting will begin at 7 p.m. in the home of Linda West at 1105 Brookhaven.

Mrs. Gordon, Texas Heritage department chairman for the club, has prepared a special slide program featuring all of the historic locations in and around Canyon to be shown for the club's Texas Day program.

You can sell most anything with a SEEK ad. Call 655-7121.

Winter marriage plans revealed

Ann Shell and Dennis Dorsey

Marriage planned

First Presbyterian Church of Canyon will be the setting for the Dec. 4 marriage to be read between Miss Ann Shell and Dennis Dorsey.

Miss Shell is the daughter of Mr. and Mrs. Francis Shell of #13 Hunsley Hills Boulevard in Canyon. She is a full time employee of Shell's Pharmacy in Canyon.

The prospective bridegroom is the son of Mr. and Mrs. Bobby Dorsey of 5315 Briar, Amarillo. He is employed with Tile Craft, Inc. in Amarillo.

Birthdays

The Canyon High School Band Calendar project lists the following folks who will be celebrating birthdays during the week of October 17-23:

Oct. 17 — Joy Richie, Genelle Bourland, Janet Johnson, David Green, Leon Fowler, Dale Young, Randy Whitson and Barbara Huber.

Oct. 18 — Paula Gray, Glenn Williams and RoseMary Whitehead.

Oct. 19 — Marie Wilkerson, Donnis Barker, Sherrill Rickman, Todd White and Raymond Tyler.

Oct. 20 — Muffin Watson and Betty Ferguson.

Oct. 21 — April Bridges, Sharon Johnson, Stan Cranmer, Shirley Donnell, Ken Cates and C. Jacob Huber.

Oct. 22 — G. J. Bonds, Jr., J. L. Denton, Katherine McDonald, Staci Lyles, Shane Stockard, Weldon Revel and Sharon Ramaekers.

Oct. 23 — Donald Campbell, June Southern, Ronda Ray, Calvin Fletcher, Ewain Fletcher and Debbie Ramaekers.

Carolyn Sue Sherley and Eddy Allen Young

November wedding planned

Mr. and Mrs. O. C. Sherley of Megargel announce the engagement and approaching marriage of their daughter, Carolyn Sue, to Eddy Allen Young, son of Mr. and Mrs. Melvin Young of Kress, Texas.

The bride elect is employed by the American Quarter Horse Association of Amarillo; and the prospective bridegroom is employed by the City of Canyon.

The wedding will be in the home of the bride elect's aunt, Mrs. W. A. Cooper, Jr. of Canyon on Nov. 12.

Diamond dish taster held

Diamond Dishes Day was held Sunday, Oct. 10, at the home of Mrs. Paul Stevenson for the actives, pledges, mothers and area alumnae of Alpha Delta Pi.

The occasion was sponsored by the Canyon Alumnae Association of Alpha Delta Pi and was attended by about 75.

A tasting tea was held and plans were made for a garage sale to be sponsored by the alumnae on Oct. 23.

Mildred Cannon was chairman for the annual event and hostesses for the afternoon included Mary Criswell, Linda Loerwald and Scotty O'Briant.

Next regular meeting of the alumnae chapter will be a philanthropic workshop set for Nov. 8 at 7 p.m. in the homemaking room of Canyon High School.

MILs meet Thursday

Canyon Mother-in-Law Club will be meeting Thursday afternoon, Oct. 21, beginning at 2:30 p.m. in the S. L. Robinson home at 1007 7th Street.

Bake swap set for Dames here

A "bake swap" for members and guests of the Canyon Dames is planned for Thursday, Oct. 21, to be held in the home of Evelyn Kopczynski at 1700 Creekmere.

The meeting will begin at 10 a.m. and all members are encouraged to provide a baked item and recipe for the annual exchange.

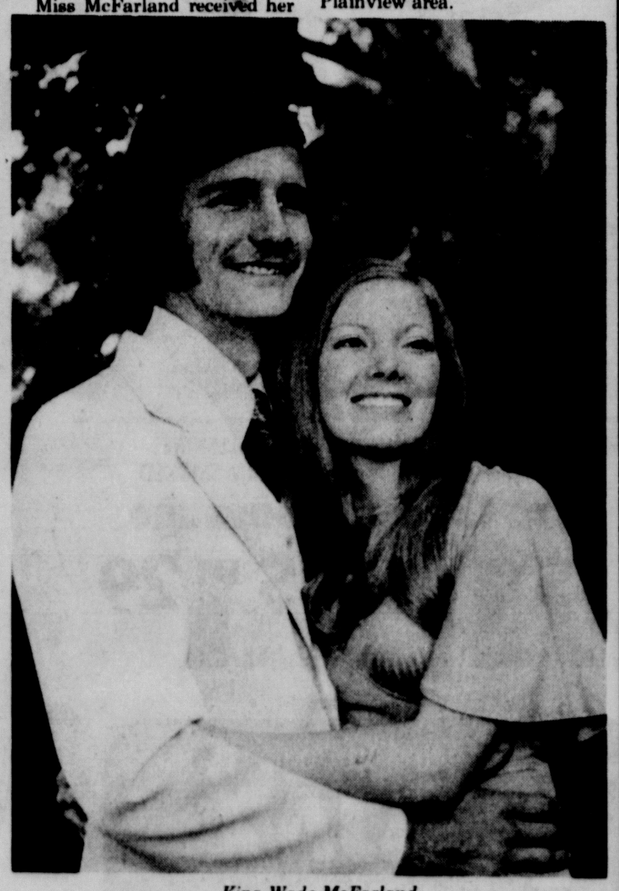

Couple's plans told

Marriage vows will be exchanged by Kipa Wade McFarland and Michael Ray Koenning on Saturday, Nov. 20 at the First Baptist Church in Happy, Texas.

Kipa Wade is the daughter of Mr. and Mrs. Gwen E. McFarland of the Arney Community, southwest of the city. Michael Ray is the son of Mr. and Mrs. Elmer Ray Koenning of Plainview.

Miss McFarland received her degree from The Plainview School of Vocational Nursing after attending The University of Hawaii in Honolulu, Texas Tech University, Texas Women's University, and West Texas State University. She is employed by Larry Karrh, M. D. in Plainview.

Mr. Koenning attended West Texas State University and is a self-employed farmer in the Plainview area.

Kipa Wade McFarland and Michael Ray Koenning

4-H news: Awards night a success

By PAUL SAMMONS
Assistant County Agent

Our 4-H Awards Banquet was held Oct. 7 at the community center in Canyon.

We all felt it was a huge success and all enjoyed it.

Bob, Becky, and I wish to thank the 4-H clubs of Randall County for the extremely nice gift. We appreciate each and every one of you very much.

Guy Osborn will be showing his steer at the State Fair in Dallas on Oct. 20. We all want to wish Guy the best of luck and hope he will bring another ribbon back to Randall County.

The Randall 4-H Club will have a meeting and bowling party Oct. 24 at 2 p.m. at the Winters home on FM 2219. This will be a meeting to organize and plan the club meetings for the upcoming months. Each and every Randall member should attend this meeting.

There will be a meeting to organize a new 4-H club at the High Plains Children's Home on Oct. 28 at 7:30 p.m. This club will be for all of the kids from 9-19 at the children's home.

Attention Club Officers:

What: 4-H club officer training
When: Nov. 8
Time: 7 p.m.
Where: Farm Bureau Building
Who: All 4-H club officers, parents and leaders

This training will be conducted by Martha Couch, area 4-H youth specialist. We will look forward to seeing you here.

All 4-H'ers showing livestock will need to attend their 4-H club meetings before the agents will sign entries. This policy will be stood behind 100 percent.

Pat Althen, who topped a nationwide competition to win a $2,000 scholarship, was presented with a plaque in ceremonies Tuesday in Washington. Escorting her is WTSU professor of military science LTC Charles Laakso.

WTSU graduate student is presented top award

A West Texas State graduate student was presented the Gen. Creighton W. Abrams memorial scholarship in ceremonies in Washington, D. C. this week. The award is given to only two students each year.

Pat Althen was escorted on the trip by WTSU professor of military science LTC Charles Laakso.

Althen was selected as the Third Region ROTC nominee from among 12 finalists. She topped approximately 70 other ROTC cadets nationwide to earn the $2,000 scholarship.

The award was presented at the annual Association of the United States Army convention by Lt. Gen. John Tolsen (Ret.).

Althen is enrolled in a master of arts program for junior college teaching with her major field in psychology. She is a third year student in ROTC. This summer, she was a reporter for the News.

'Babes in Arms' on movie marquee

"Babes In Arms," starring Mickey Rooney and Judy Garland, is scheduled on the West Texas State University marquee for Oct. 19-20.

Sponsored by the Student Activities Council (SAC), the movie will be shown at the Activities Center Ballroom at 7:30 p.m. Admission cost is 75 cents.

The movie is about a talented group of second generation vaudeville entertainers who organize and present their own highly successful show in an effort to pull their parents out of the financial red.

Melanie Gail Lundberg

Nuptial plans told

The engagement and approaching marriage of Miss Melanie Gail Lundberg and James Lougene Lamb, Jr. is being announced by Mr. and Mrs. Ocie DeVoll of 3713 Rutson, Amarillo, parents of the bride-elect.

The prospective bridegoom is the son of Mr. and Mrs. James Lougene Lamb, Sr., southwest of Amarillo. He is a graduate of Canyon High School and currently attends West Texas State University where he is a business administration major. He is involved in farming and ranching operations with his father.

Miss Lundberg, a graduate of Tascosa High School, is a sophomore dental hygiene major at Amarillo College. She is employed with Sears Roebuck and Company in Amarillo.

The couple is planning to be married Saturday, January 8, at St. Stephen United Methodist Church in Amarillo.

WBC has 'art' program here

Woman's Book Club met Wednesday afternoon in fellowship hall of the First Christian Church of Canyon for a program on "art" given by two local artists, Mrs. Glenna Wilson and Mrs. K. E. Hines.

Both women showed samples of their own art work along with works from other artists including various media. Mrs. Wilson spoke briefly on the many forms of art and read several poems which illustrated yet another form of art.

Refreshments were served to twenty-seven members and two guests, Mrs. Glenna Wilson and Mrs. Lillian Terrill.

Hostesses for the afternoon were Mrs. Marjorie Brewer, Mrs. Irby Carruth and Mrs. S. H. Condron.

Next meeting of the club will be Nov. 10 in the home of Mrs. Irene Beard with Mrs. Crews Henry to present the program on "America Today."

NURSING HOME RESIDENTS will soon have a touch of Mexico as flowers used at the Faculty Wives, Etc. fashion program on Saturday were to be distributed to shut-ins afterwards.

* * *

LAST SUNDAY'S HARVEST Home Tour ticket buyers and those who purchased gift items at the Country Kitchen helped the University Study Club raise $1,172.70.

The project chairman, Annette Lippold, reports that all proceeds from that annual event are specified for support locally. The USC annually contributes support to the Little League, Girl Scouts, Meals on Wheels, Big Brothers and organizations of that sort and also provide a scholarship stipend for a graduating high school student.

A new project to benefit from excess funds raised by the home tour this year will also ultimately benefit all local residents, as the club plans to donate toward the purchase of a heart monitor for Palo Duro Hospital.

* * *

SPEAKING OF "HEART," did you see those bike and trike riders on Saturday? They were raising funds for their riding efforts to benefit the local unit of the American Heart Association.

* * *

UPCOMING FOR CANYON Study Club is the annual sponsorship of the Halloween Carnival for city youth. Other clubs have been asked to join the effort and should make final arrangements for booths early this week.

The carnival has been set for Oct. 28 so that it won't hamper resident's planning to attend the Eagle district game with Dumas on Friday evening; or the West Texas State University homecoming activities and game on Oct. 30.

Halloween, itself, isn't until Sunday, Oct. 31, so we are wondering when the "trick-or-treaters" will be about the city seeking their "goodies".

* * *

SEVERAL ACTIVITIES ARE planned next month including the federated club's annual dinner on Nov. 8 at the Presbyterian Church and the annual Umbarger German Sausage Festival on Sunday, Nov. 14.

Also planned for November is the second annual Arts Americana to be held in the Activities Center ballroom at West Texas State University.

Folks seeking craft items and unusual gifts for those on their Christmas list would do well to shop at both the Umbarger Festival "bazaar" and at the Arts Americana being sponsored by Heritage Woman's Club.

* * *

DAR discusses landmarks

"Restoration of Historic Landmarks" was the subject of the program Monday afternoon as Esther McCrory chapter of the Daughters of the American Revolution met.

The October meeting was at the W. W. Bridges home in Amarillo. Attending from Canyon were Mrs. Joe Findley, chapter regent, and members, Mrs. Jewell Hill, Mrs. W. A. Terrell, Mrs. R. S. Ramage, Mrs. Tom Knighton, Mrs. Hud Prichard and Miss Lou Ella Patterson.

November DAR meeting will feature a program on "Defending the National Landmarks" to be presented by Col. John O. Childs of Canyon.

Student panel will discuss US education at club meet

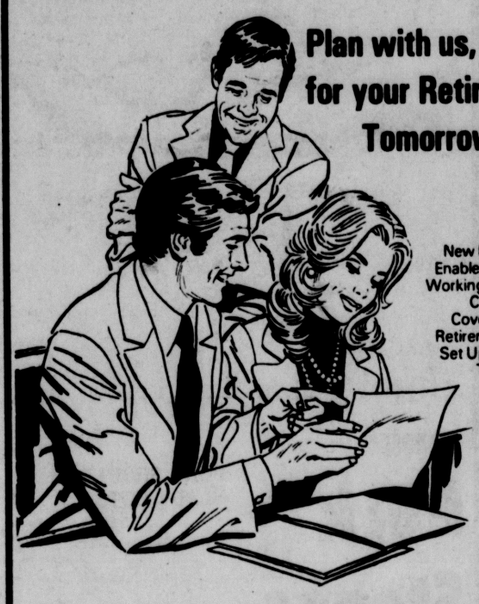

Canyon Study Club will hear a panel of foreign exchange students of West Texas State University discuss "An American Education: What It Means To Me" at their meeting Monday evening.

The CSC meeting is set to begin at 7:30 p.m. in the home of Ella Brown at 3301 Linda Lane with Lila Vars as co-hostess.

The panel of foreign exchange students will be led by John Muthersbough, foreign student counselor at WT, and Mrs. Mary Hoover, secretary to the registrar.

MEET LOST HEAT ON YOUR OWN GROUND... HIGH NOON OR ANY TIME

the heat pump captures lost heat, SAVES YOU MONEY . . .

A new heating system is a serious consideration.
Make sure your new heating system pays off in savings for you. The electric heat pump saves energy, so it saves you money. By using otherwise wasted Lost Heat present in outside air, the electric heat pump delivers as much as two units of heat for every heat unit of electricity it uses.
Call The Electric Company and find out about the heat pump . . . the electric heating system that saves energy and saves money.

ELECTRICITY-IT DOES SO MUCH GOOD

The ELECTRIC Company

FOR SO MANY PEOPLE

TRICKY Halloween TREATS

Halloween marks the beginning of Harvest Festivals and is the time when the ghosts and goblins, black cats, bats and witches are abroad playing tricks under a full moon. Friends gather to celebrate the harvest and relax from their long summer's work.

Pumpkins are carved into "Jack-O-Lanterns" and lighted with candles to scare evil spirits from the house.

Here are some frightfully delicious treats recommended to help get you into the spirit of Halloween and make your festival a super-natural success.

After carving your Jack-O-Lantern save the pumpkin seeds for:

Toasted Pumpkin Seeds

Separate the fiber from the pumkin seeds. Cover with salted water and bring to a boil, then simmer for 2 hours. Drain and dry on brown paper. Then spread the seeds in a shallow pan. Coat with cooking oil and sprinkle with Hickory Smoke Salt. Bake in 250° oven until golden brown. Stir from time to time. (also delicious with onion or garlic salt seasonings).

There are any number of "pumpkin" recipes for using up what is left of the Halloween jack-o-lantern including the traditional pumpkin pie, pumpkin bread and other treats of this sort.

This year, however, you may want to try Pumpkin Soup which is a new recipe provided through home economists of Southwestern Public Service in their annual publication of Festive Foods.

Or you may want to switch from Pumpkin Pie to a pumpkin dessert with a new twist, if so make up a family dessert of Pumpkin Pie Squares which not only feature a special crust, but a tasty topping.

Pumpkin Soup

2 Tbsp. butter
⅓ cup chopped green pepper
2 Tbsp. chopped onion
1 Tbsp. chopped parsley
⅛ tsp. thyme
1 bay leaf
1 cup canned tomatoes
2 cups pumpkin,
2 cups chicken broth
2 cups milk
1 tsp. salt
⅛ tsp. pepper
scant ⅛ tsp. Tabasco sauce

Saute green pepper, onion, parsley, thyme and bay leaf in butter over very low heat for 5 minutes. Add tomatoes, pumpkin and broth.

Cover and simmer gently for 30 minutes, stirring several times.

Add remaining ingredients and heat to serving temperature, stirring frequently. Remove bay leaf.

Serve in small pumpkin mugs or soup bowls. Add more milk or broth to alter richness. Serves 6-8.

Pumpkin Pie Squares

Crust:
1 cup sifted flour
½ cup oats, uncooked
½ cup brown sugar
½ cup butter, melted

Combine crust ingredients using low speed on electric mixer, just until crumbly. Press into ungreased 13 x 9 x 2 inch pan. Bake at 350 degrees for 15 minutes.

Filling:
1 lb. can pumpkin
1 (13 oz.) can evaporated milk
2 eggs
⅔ cup sugar
1 tsp. cinnamon
½ tsp. salt
½ tsp. ginger
⅓ tsp. cloves

Combine filling ingredients and beat well. Pour into baked crust and return to 350 degree oven for 20 minutes.

Topping:
2 Tbsp. butter, melted
⅔ cup chopped pecans
½ cup brown sugar

Mix together topping ingredients and sprinkle over partially baked pumpkin filling (when it has cooked for 20 minutes). Return the dish to oven for additional 20 minutes of baking, or until filling is set.

Test by inserting knife blade as done with pumpkin pie — makes 12 servings.

Practicality enhances "spook" fun

Halloween is a children's playday that should be fun and practical. Instead of buying Halloween paraphernalia, consider letting children make their own, suggests Dorthy Taylor, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

She suggested some do-it-yourself projects.

Halloween Cat — cut a large cat's head, body and tail from black construction paper. Glue egg carton cups with glass marble centers on the cat's head for wild eyes. Attach the head, body and tail with brass brads. Change the cat's position to make him look as if he is falling, running, frightened or just scary.

Jack-o-lantern mobile — cut an irregular ring out of heavy orange paper. Cut three triangles and one moon-shape out of heavy black paper for the eyes, nose and mouth. Don't forget the stem for the pumpkin. Hang the eyes, nose and mouth on strings to dangle inside the orange ring. Hang the mobile by a longer string attached to the stem of the pumpkin.

Paper plate mask — draw a scary face on a heavy paper plate. Cut out and/or paint the facial features on the plate. Use rug yarn or straw for hair. Punch a hole above the ears on each side of the plate. Attach a shoe lace on each side and tie around the head.

Noise makers — large, dried gourds painted with scary faces make excellent Halloween noise makers. The seeds inside the gourd make a nice "shushing" sound.

A small paper bag painted or decorated in a Halloween theme can be filled with dry beans, pop caps or jingle bells and attached to a stick. This is a great hand rattle.

"And for Halloween, every child yearns for a Jack-o-lantern. There are a few rules to follow in making this Halloween favorite."

— Select a fresh pumpkin. The size will depend upon your needs and the amount of money you want to spend.

— With a sharp knife, core out a small lid at the top (large enough to get your hand in the pumpkin).

— Remove the seeds and fiber from inside the pumpkin.

— Draw the desired face on the pumpkin with a pencil or crayon.

— Carve the Jack-o-lantern, following the design you drew.

— Place a votive candle in a candle glass or small can inside the pumpkin.

— When the candle is burning, remove the pumpkin top to prevent scorching the top. Burn your Jack-o-lantern and enjoy its glow a long time.

— Once Halloween is over, make all kinds of goodies out of the pumpkin meat. If your pumpkin is too large to use at one time, freeze it and use the pumpkin later to celebrate fall harvest, the specialist suggested.

Safety precautions add to holiday fun

As Halloween nears, safety comes to mind — especially costume safety.

Claudia Mitzel, consumer information specialist with the Texas Agricultural Extension Service, The Texas A&M University System, suggests some ways parents can make children's "trick or treating" safer this year.

— Consider using make-up to decorate the face rather than wearing a mask which may block vision.

— Sew or glue reflective tape to both front and back of the costume, be creative and incorporate the tape into the costume design.

— Check labels or packagi ng on purchased costumes for flame retardant finishes. Children may be exposed to many direct sources of fires such as lighted pumpkins, colorful candles or open fires for toasting marshmallows.

— For home-sewn costumes, select fabrics that have a flame retardant finish. Or apply one at home — aerosol or home made. But remember that the commercial aerosol may not be effective on all fabrics, so check the aerosol label.

The specialist suggested a recipe for making flame retardant finish, but cautioned that this solution will work only on costumes made of muslin, burlap, old sheets — in other words, items made of cottons, cotton blends or other natural fibers. It is not good on synthetics or resin-treated cottons.

Dissolve three ounces of boric acid in two quarts of hot water and stir in seven ounces of borax (boric acid and borax are available at drugstores).

Soak the costume in this solution for about five minutes, then wring out and hang. When just damp, iron until dry.

"This solution will not appreciably change the fabric, although any fabric that will shrink or discolor in water will be affected by the solution. This treatment will not fire-proof a costume, but will help it to resist ignition and spreading the fire. It will be effective until the costume is laundered."

Founder's Day set for Oct. 24

Founder's Day for Delta Zeta Alumnae will be observed next Sunday, Oct. 24, at a meeting in the Quality Inn, I-40 East, Amarillo.

The sorority province directors have been invited as special guests for the event. Cost will be $5.95 per person.

Hostesses for the event are under the guidance of Carol Olson, chairman, with the hostess committee including Jo Moore, Jo Green, Pat Harwell and Joan Frost.

Jack Hightower believes in action . . . not empty words

When the voters of the 13th District sent Jack Hightower to Congress two years ago he pledged to represent all of them fairly and honestly. He promised to work full-time at the job. *HE HAS KEPT THOSE PROMISES.*

HERE IS WHAT THOSE WHO KNOW JACK HIGHTOWER'S RECORD SAY ABOUT HIS EFFECTIVENESS

". . . as one of the original co-sponsors, I again thank you for your splendid contribution which has brought about this most needed improvement in the estate tax law . . ."
Omar Burleson, Member of Congress

". . . your tremendous job on the floor and prior to the passage of H.R. 8410, the amendments to the Packers and Stockyards Act, are most deeply appreciated. It certainly was apparent to the people in the gallery and elsewhere that you know the subject matter well and handled the situation beautifully . . ."
C. W. McMillan, Executive Vice-President, American National Cattlemen's Assn.

". . . this award (Guardian of Small Business) is intended to acknowledge your efforts to protect small, independent businessmen and women and to maintain an economic environment in which they can grow and prosper. It is also based on the outstanding voting record you compiled on small business issues during the 94th Congress."
Wilson S. Johnson, president, National Federation of Independent Business

". . . Price better think twice before he spends more money for a big campaign because as it stands now he's going to be fighting a losing battle if he tosses his hat in the ring . . . Hightower has read his constituency well, and he's doing exactly what his voters want him to do, but he's also spent a session learning the ropes and he's shown he's a better independent thinker . . ."
Carroll Wilson, columnist, Canyon News, Jan. 18, 1976

". . . one of Jack Hightower's primary legislative projects has become the law of the land . . . it was H.R. 8410, an amendment to the Packers and Stockyards Act which Hightower co-sponsored in the House, and he was the author of its principal provision—prompt payment . . ."
Joe Brown, farm editor, Wichita Falls Record-News, Sept. 16, 1976

". . . thank you for your support of the Beef Research and Information Act, and especially for your fine statement on the House floor . . . the people are well aware of your leadership and your untiring efforts to help the cattle industry . . ."
O. J. Barron, chairman, Beef Development Task Force

". . . Of the 75 first-year Democrats, he is something of an anomaly—the most conservative of an outspokenly liberal group, one of the most careful and quiet of a largely shoot-from-the-hip crowd . . . Almost everyone on the Hill knows about Jack Hightower . . . the Congressman who votes his conscience, represents his district by organic instinct, but is capable of rising above parochial considerations when national interests are at stake. If that weren't enough, he lives a Spartan existence in a one-room efficiency apartment, sleeps on a couch that unfolds into a bed, washes his own socks, and drives an old car to work. The same qualities that made him an influential state senator for ten years—scrupulous honesty and an appetite for hard work—have served him well in Washington, but these alone do not explain the high regard in which he's held. In a town over-populated by small people with large egos, it is a relief to find one for whom the reverse is true . . ."
Texas Monthly, May, 1976

That's the kind of Congressman Jack Hightower has been since he took his oath in January 1975. It's why he has earned the respect of his colleagues and the confidence of people throughout this district . . . from both political parties. Jack Hightower, Democrat, has earned a second term. Vote November 2.

Paid for and authorized by Hightower for Congress Committee, Jim Hughes, Treasurer, Box 1973, Vernon, Tx 76384.
